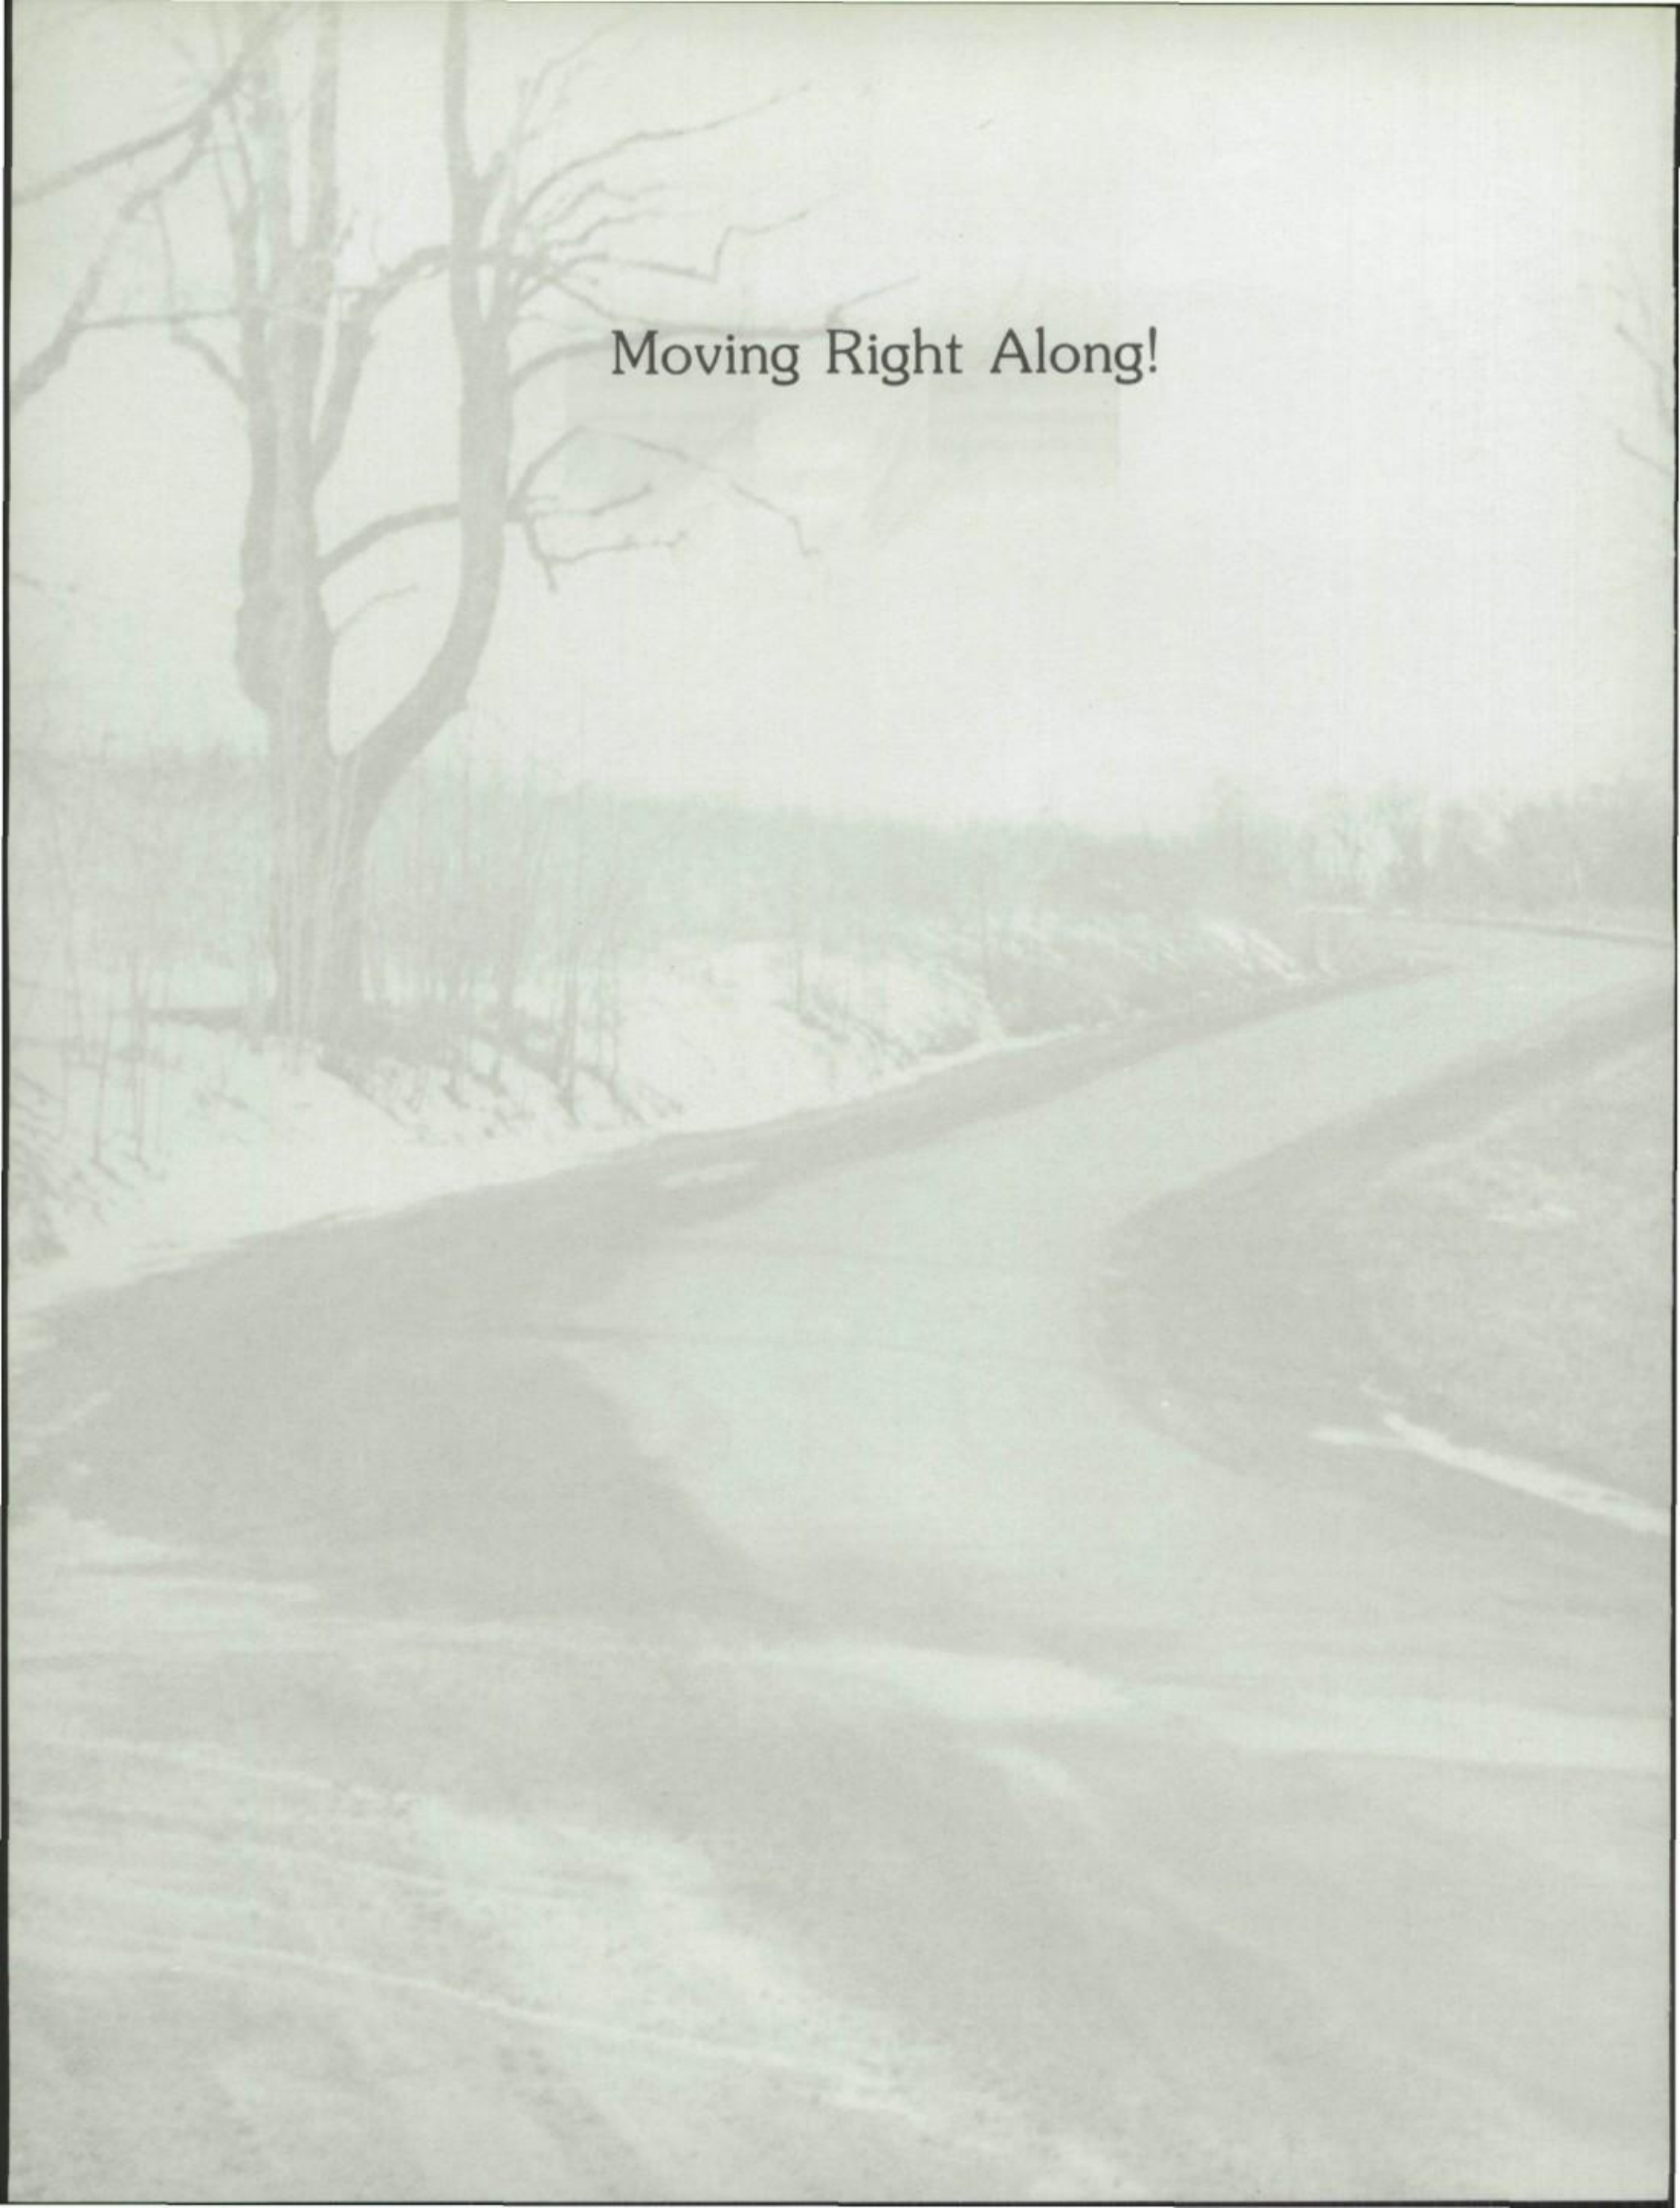
Moving Right Along!



Moving
right
along.
Life's
theme and
the theme for
the 1982-1983
Hurri-Kane year-
book. Chosen not only
because of the meaning to
us but to the world surround-
ing us. In our life we never stand
still. We are always moving right
along on the roads of school, life and
time. If we think about it, there is never a
time when we aren't moving in a constant
struggle with the road of life. It never allows us to
do all the things we want to do. We must keep
moving right along on this road in order to accomplish
the goals we have set for ourselves. Even so, the road is full
of twists and turns, leading us this way and that and occasionally
a detour is thrown in to alter our course. The roads of school keep
us constantly moving, from the first time we travel to kindergarten,
crying because we wanted to go home, to the last day, graduation,
which we spend crying because we don't want to leave. We are kept
moving all the time, along this sometimes bumpy road, from elementary
school to Junior High and finally to the end of this road, Senior High. As
we reflect upon the past, it is hard to believe that those thirteen long
years could go by so quickly. At the end of this road we come to an
intersection. We must follow our own roads now. The roads of college,
trade school, marriage, jobs and the fullfillment of our dreams with all of
these branching in different directions. The unknown lies ahead where
we may find success or we find a dead end and retrace the tracks. The
highway that once bonded us together has now set us free, but some day
soon our own separate roads that have taken us so far away will cross
and bring us together once again here at Kane High, where our road first
began.

THE UNSUNG HERO

The Hurri-Kane staff would like to dedicate this, the 1983 edition of the Hurri-Kane to Mrs. Olivia Hartman. Mrs. Hart-Area Senior High School staff for 18 years, has taugh theater Arts I and II and she is the founder of the Kane Players acting group. Through her acting and teaching abilities, many students and adults have benefited from her efforts. Her outreaching personality has brought color into many lives and she has encouraged and guided students in the right direction.

Mrs. Hartman deserves much more praise than these few words can give her. And so, as a token of our love and appreciation, Mrs. Hartman, we dedicate this 1983 edition of the Hurri-Kane to you.

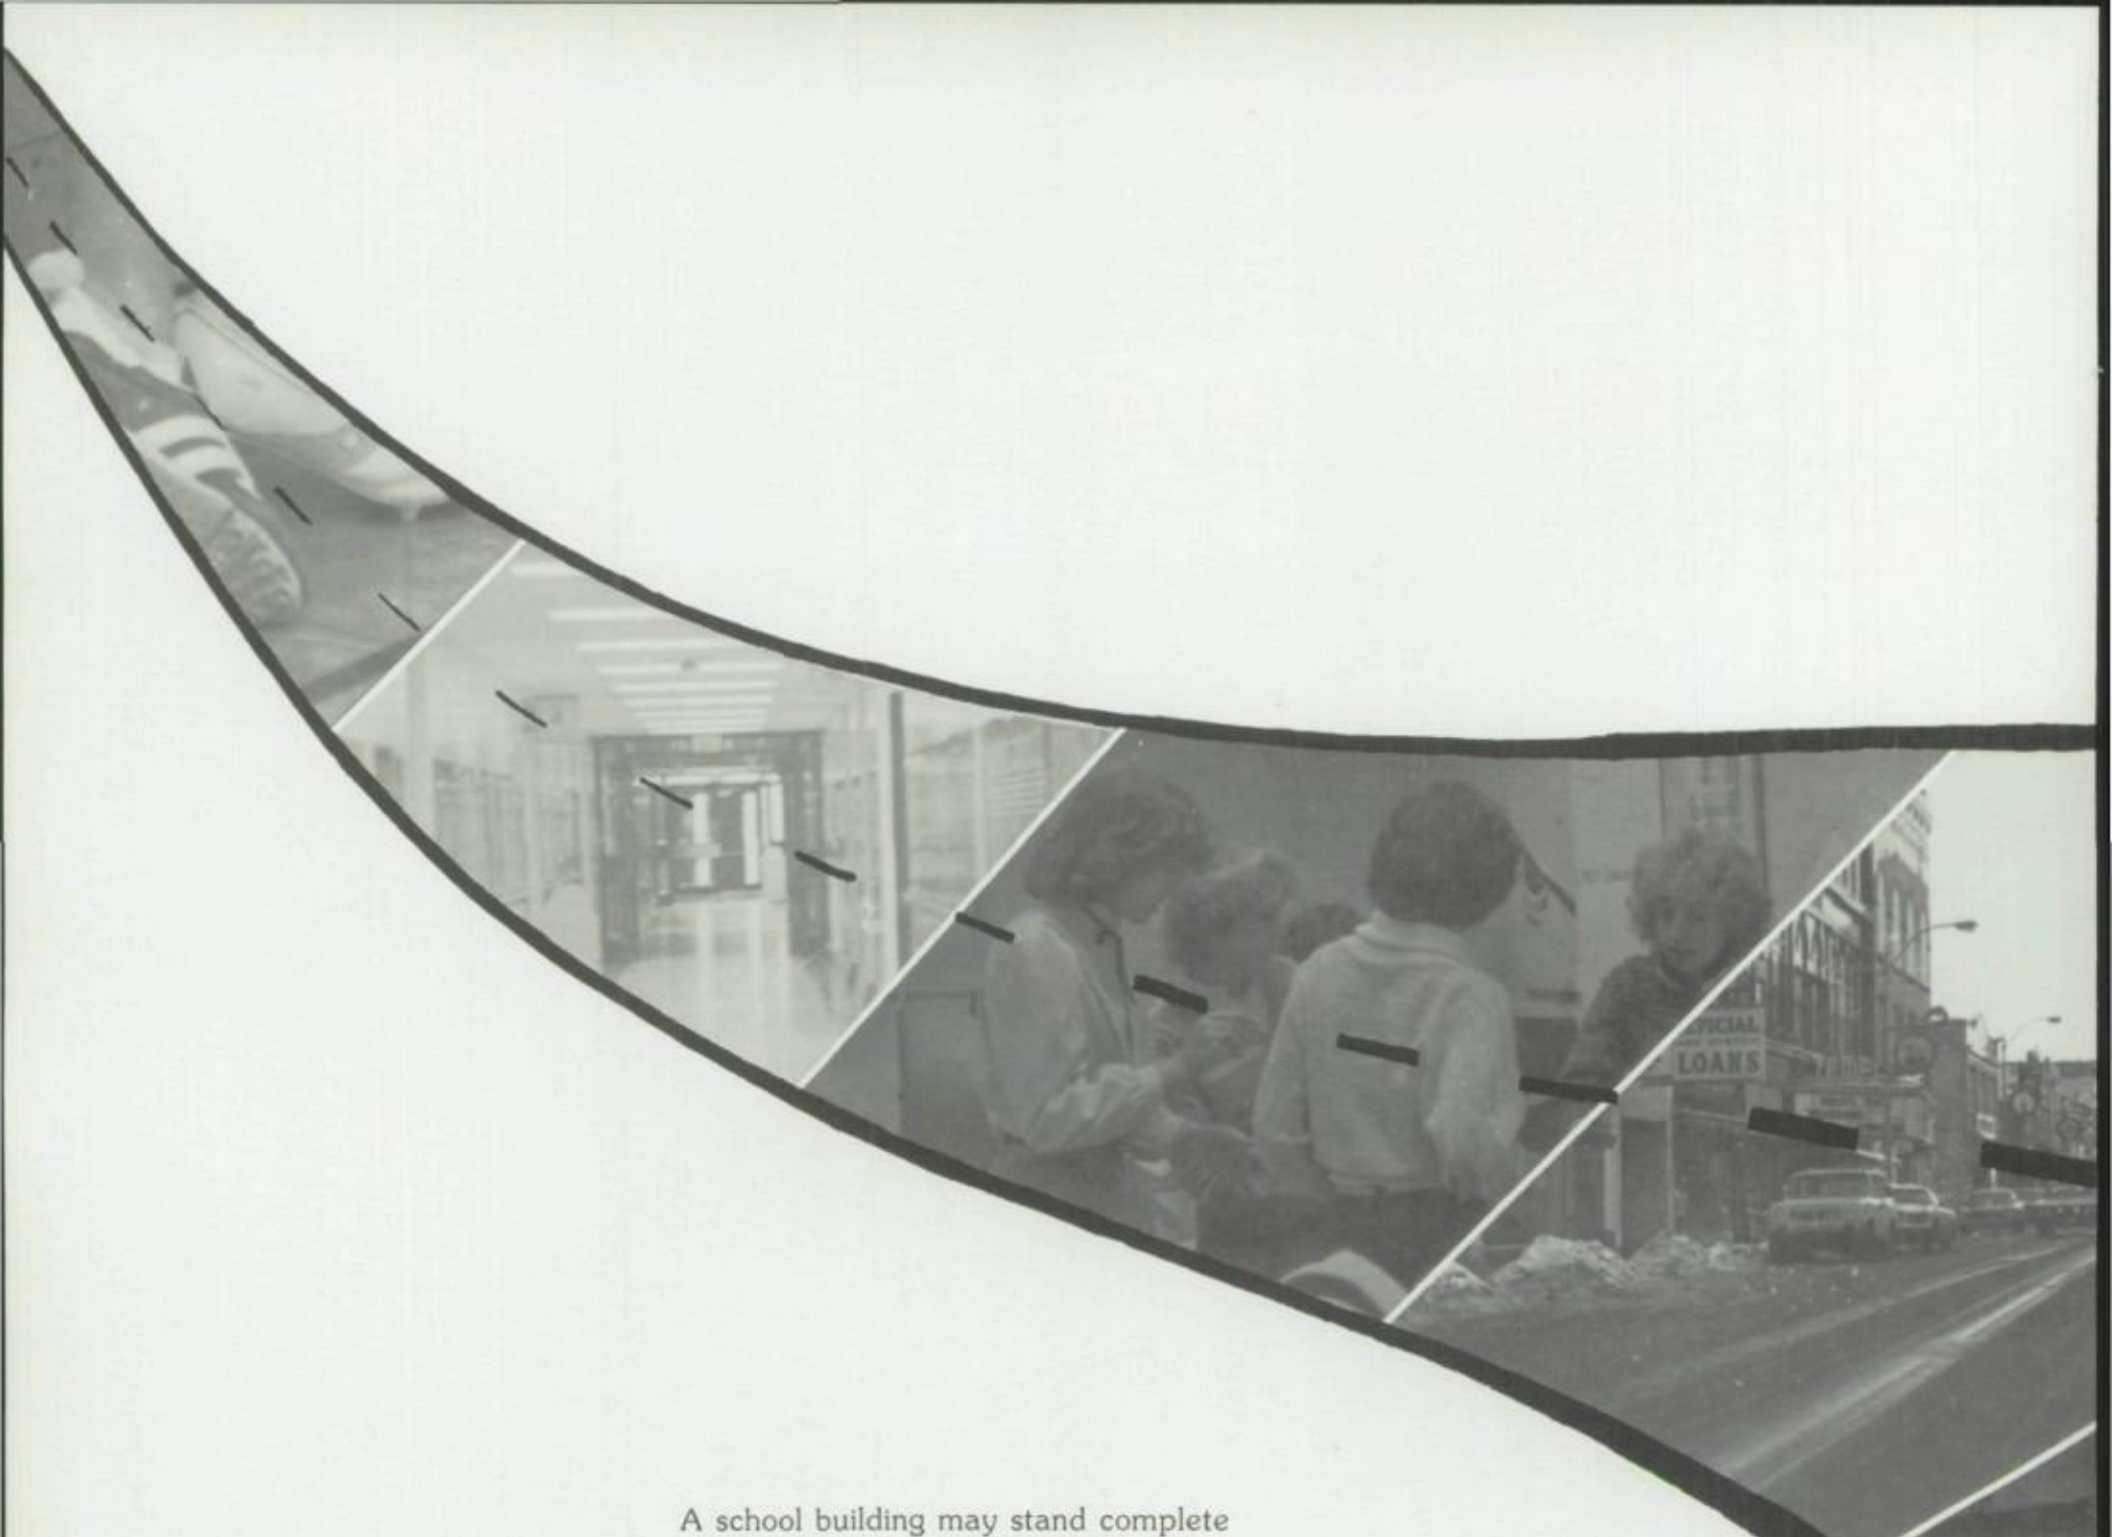
We will meet again at journey's end.



A school building may stand complete with administrators, teachers, counselors, office staff, cooking personnel, janitors, teaching materials, and sports equipment, but a school building is not really a school until there are students — learning, laughing, living. These students compose the classes; they are the school.

OUR FOOTSTEPS THROUGH

August 26, 1980

On Aug. 26, 1980, the class of 1983 took their first steps along the path to graduation. A class meeting was held at the beginning of the year and class officers were elected. The results were as follows: President — Pam Bell, Vice-President — Karen Huckabone, Secretary — Wendi Jenkins, Treasurer — Sally Emer, and Historian — Annette Lemke. On Sept. 26, the class officers made a homecoming float to represent the class, but unfortunately the parade was rained out. Throughout the year many bakesales were held and candy was sold in order to build up the treasury. On Oct. 22, the first class halloween party was held. The students bobbed for apples, had a pie-eating contest (the winner being a messy-faced John Paul) and had a cakewalk. The refreshments were donuts and cider and were enjoyed by everyone. Feb. 6 marked the publication of the "Sophomore News". The paper was organized by the officers and informed the class of upcoming events and recognized the athletic members of the class. The year proved to be very productive and the class was now ready to move further along the path to graduation.

HIGH SCHOOL

Sept. 1, 1981, marked the beginning of a very busy year for the class of 1983. A class meeting was held on the fifteenth and on the twenty-second the new class officers were elected. The results: President — Pam Bell, Vice President — Karen Huckabone, Secretary — Joni Detrick, Treasurer — Cindy Snyder and Historian — Annette Lemke. On Feb. 26, the new Miss Kane High for 1982-1983 was chosen. The candidates were Joni Detrick, Barb Phillips, JoAnne Kocjancic, Annette Lemke and Kris Morris. Barb Phillips was chosen to represent Kane at the county fair and Joni Detrick was runner-up. The Junior Class play, entitled "David and Lisa", was held on April 1st and 2nd. On May 8, the Junior-Senior Prom was held. One hundred and ten couples attended the dance. "Friction" was the band that played and the theme was "Just Between You and Me". The post prom was held at the Elks Club in Kane and the Band was "Tite-End". Julie Jones was crowned Prom Queen and Tim Warner as Prom King.

Just Between You and Me

Smurfin' to D.C.

The third and final year of high school for the class of 1983 began on Aug. 31, 1982. On Sept. 2-20, the Senior Magazine Drive was held in Kane. The theme for the drive was "Smurfin' to D.C." Mrs. Robinson's homeroom came in first place over all in sales and Mr. Boyer's homeroom came in second place. Kane's homecoming was held on Oct. 9 when the Wolves defeated Sheffield, 36-3. The Homecoming Queen candidates were Pam Bell, Kim Bloomquist, Joni Detrick, Karen Huckabone, JoAnne Kocjancic, Annette Lemke, Kris Morris, and Tammy Ross. Joni Detrick was crowned Queen during the halftime of the football game. The Senior Class play was held on Nov. 19th and 20th. The play was entitled "Nothing But The Truth." On Dec. 22nd the Senior class had a Christmas party. There was a pie-eating contest and once again John Paul was the winner. Plenty of refreshments were provided for everyone and a sound system was rented for a sock hop in the cafeteria. On May 4-6, the Senior Class traveled to Washington, D.C. The Junior-Senior Prom was held on May 14 and the theme was "Stairway to Heaven." Finally, on June 7, the Class of 1983 graduated from Kane High School. The path traveled on by each student from his sophomore year until graduation was difficult at times yet proved to be very rewarding. The footsteps taken along this path left definite imprints on the students' lives. The imprints showed both fun times and frustrating times, but nevertheless they both made up the best times of our lives.

Laughing, crying
studying, trying
staying up all night
Music, movies, ballgames
and fun
make it quite all right
Decorating,
cleaning up or
practicing for a play
Committee meetings
athletic practice
make it a long day
A new love
or a broken heart
maybe a lasting romance
Buy a new sweater
cut your hair
give it half a chance
Share a smile
tell a joke
wish upon a star
You and me
and all our friends
someday will go far
Soon we will walk down the aisle
in our caps and gowns
it's all going by too fast
This is it
our senior year
let's try to make it last.

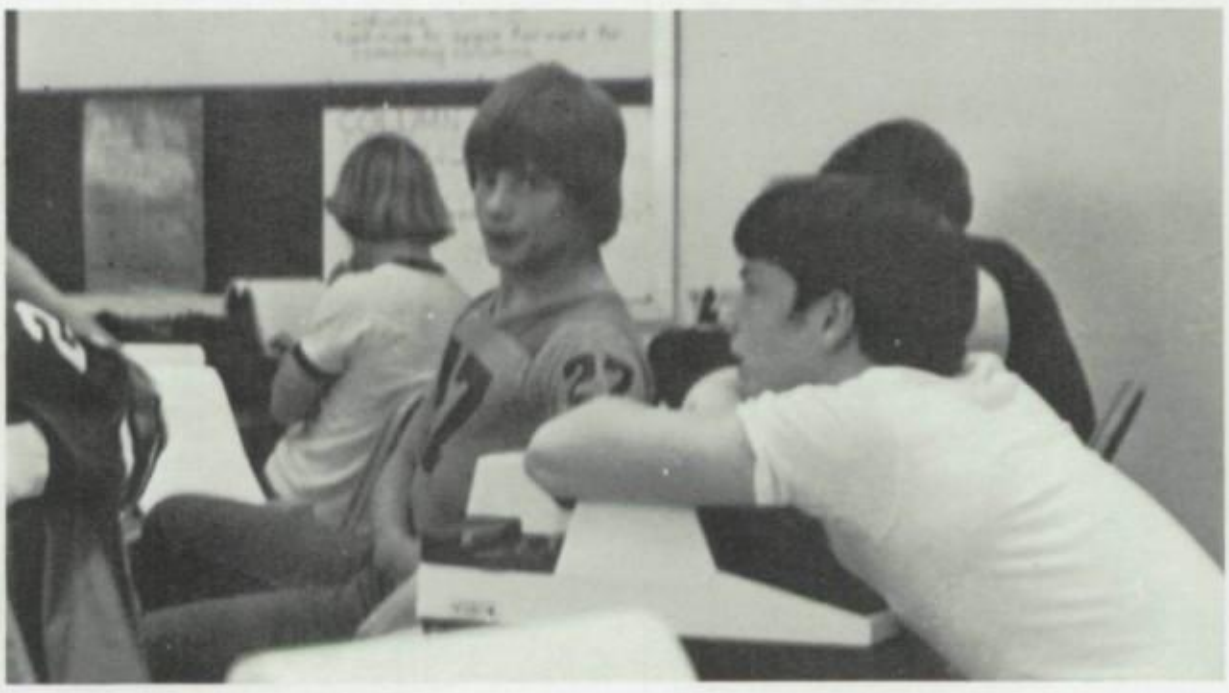
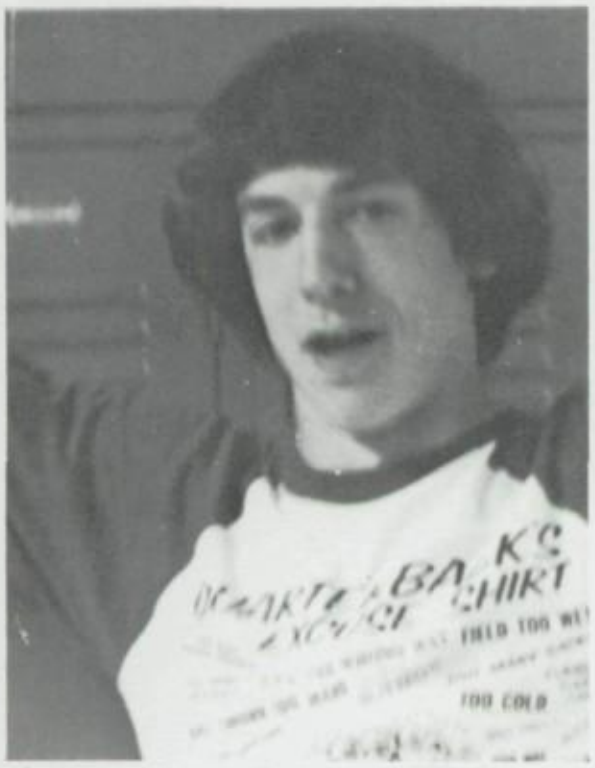
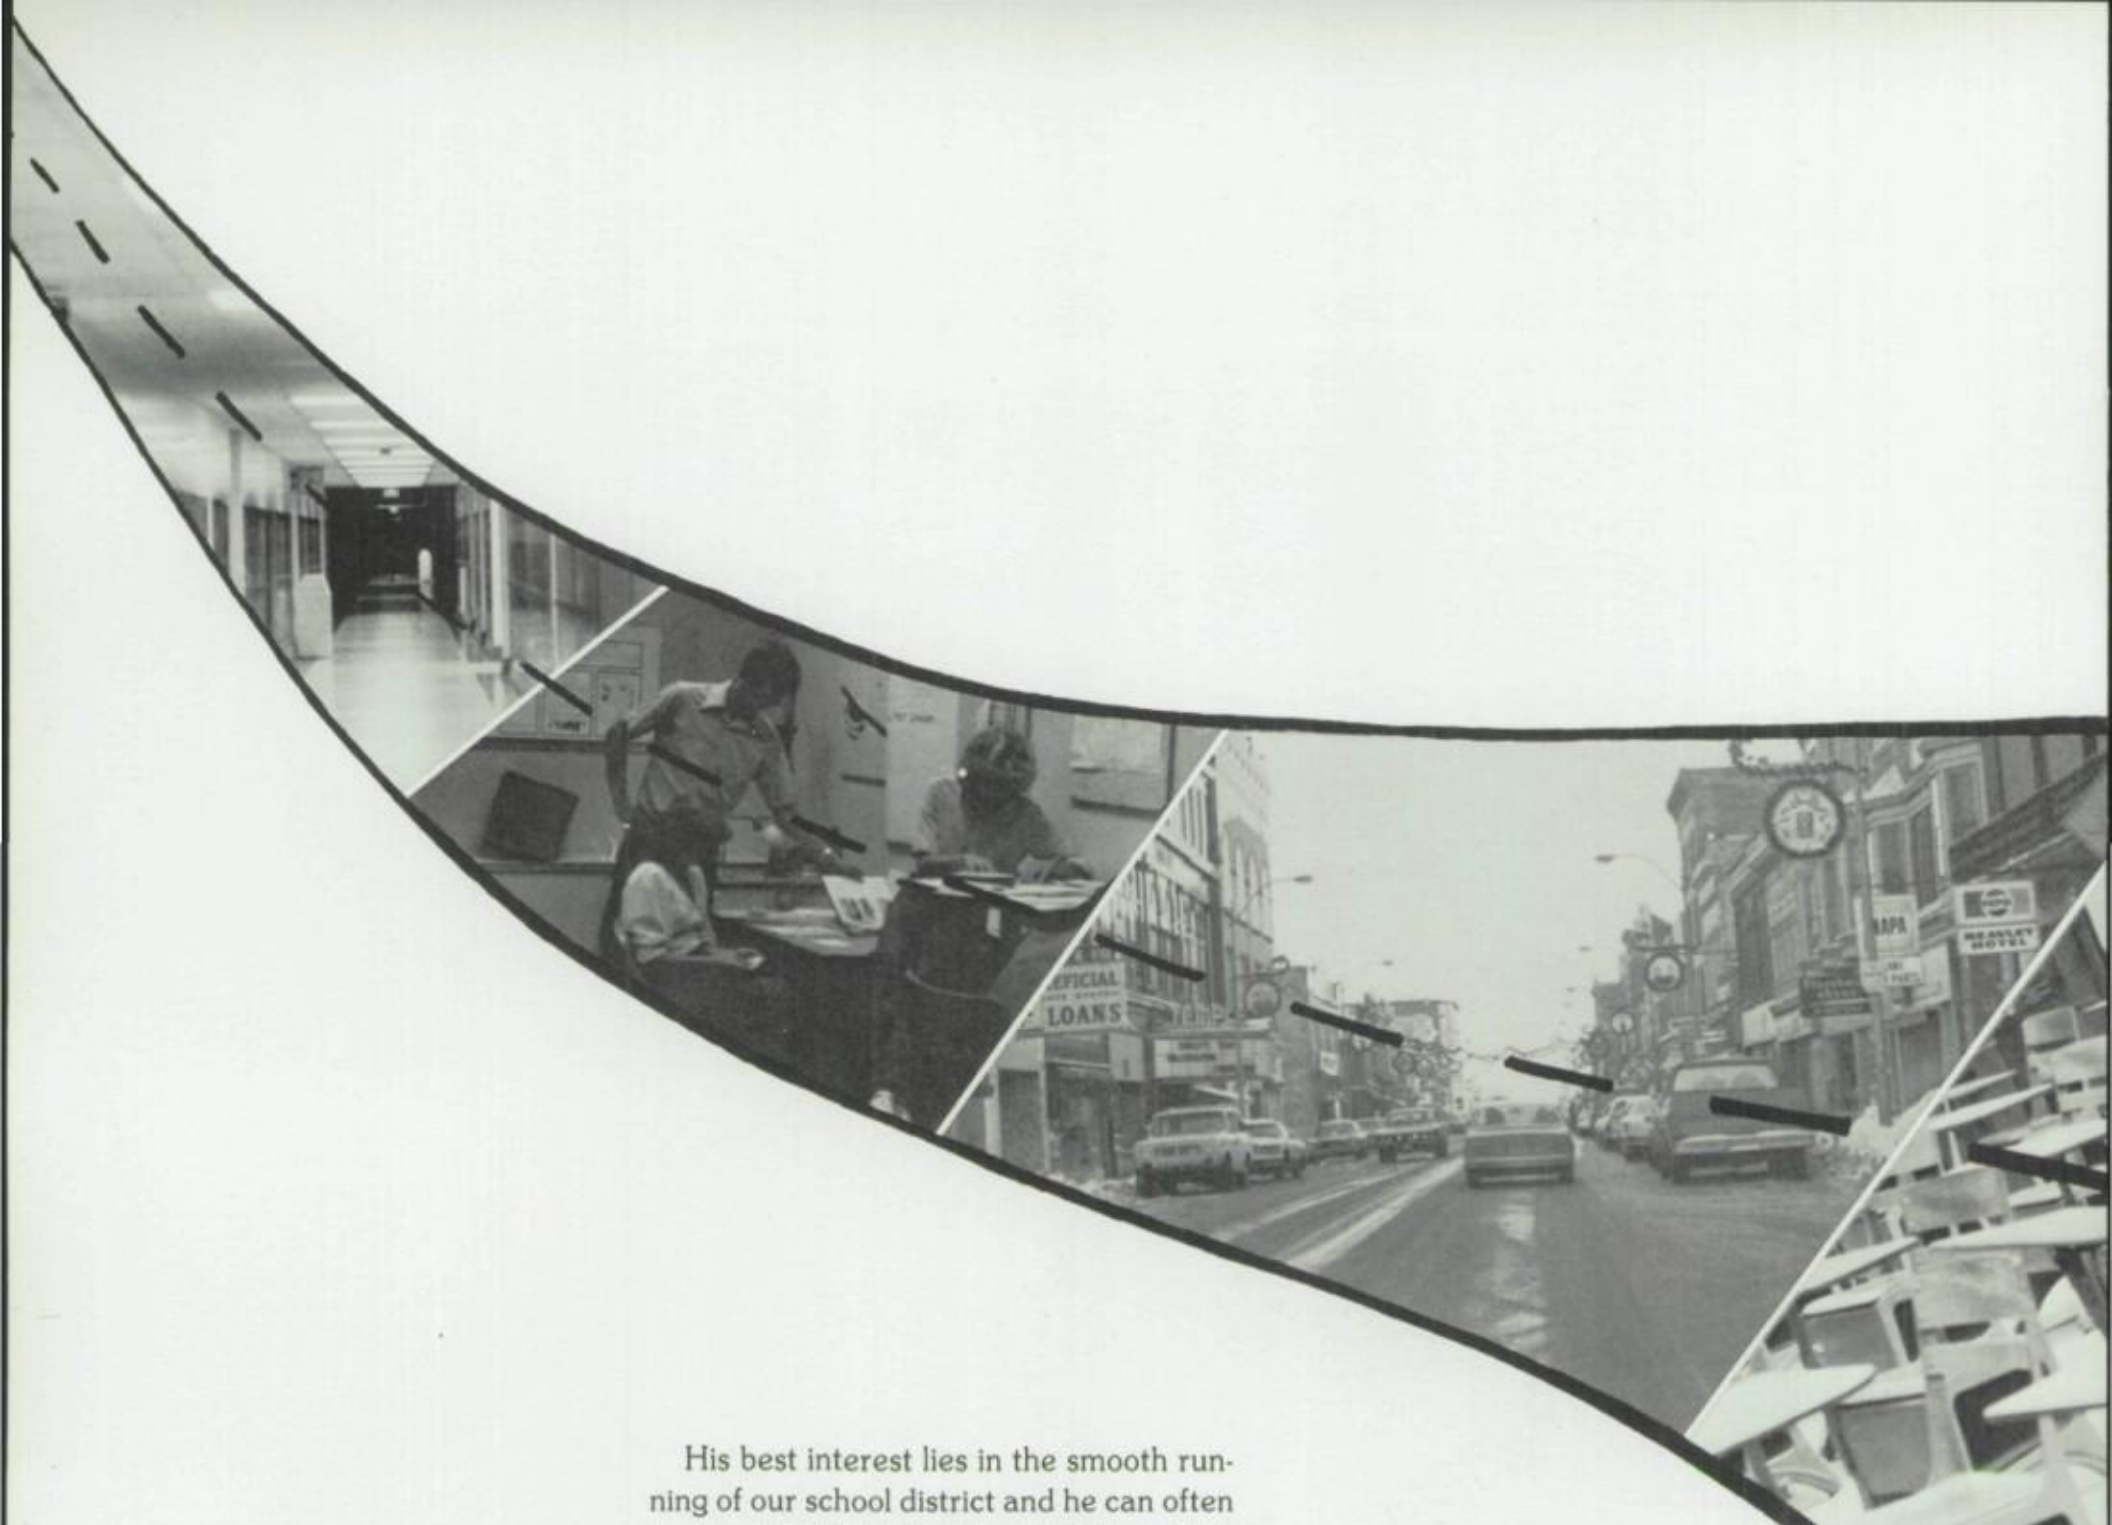
MEET THE



SOPHOMORES





His best interest lies in the smooth running of our school district and he can often be found in the halls of our building. He's willing to give advice and he's behind the student all the way. He's our superintendent.

Everyone dreads being sent to his office, but he's actually a nice guy. He runs our school. His approval is often sought. He's our principal.

They spend hours planning lessons and standing at the head of a classroom, lecturing, explaining, and teaching. They willingly offer help. They're our teachers.

They give advice and guide the student on the right path to his future. They're our counselors.

Their purpose is to provide the best education possible in our district. They're our school baord.

They answer many questions, work hard to keep things running smoothly. They're our secretaries.

They slave over pots and pans in a hot kitchen every day preparing our lunches, then cleaning up. They're our cooks.

They've got the dirty work — cleaning up after many students each day. They're our custodians.

Turn the page and meet our faculty.

FACULTY

"Attention Class"

Superintendent's Message

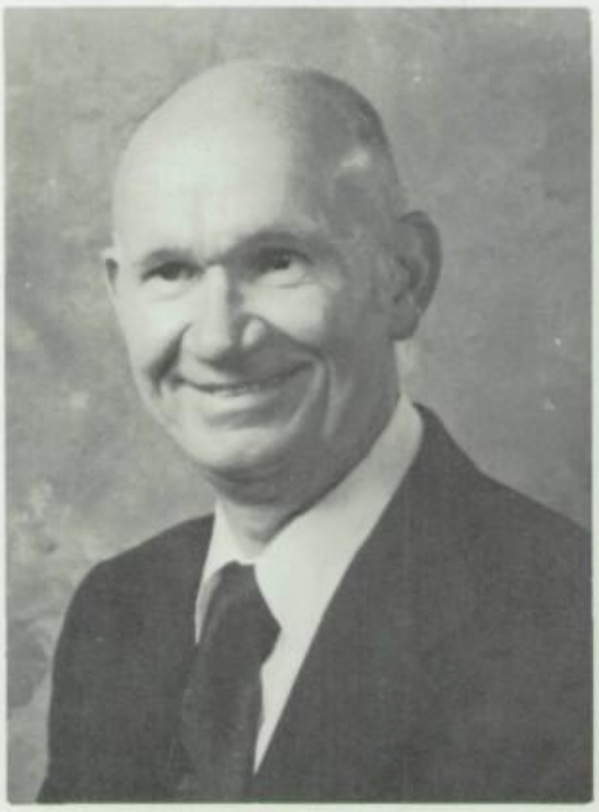
"The highway that has brought you to this point in your life's travels has been marked by more sights than your ancestors could have known in their entire lifetime. Moon landings, jet propulsion, recombinant DNA, electronic data processing, and molecular biology are among the more spectacular developments.

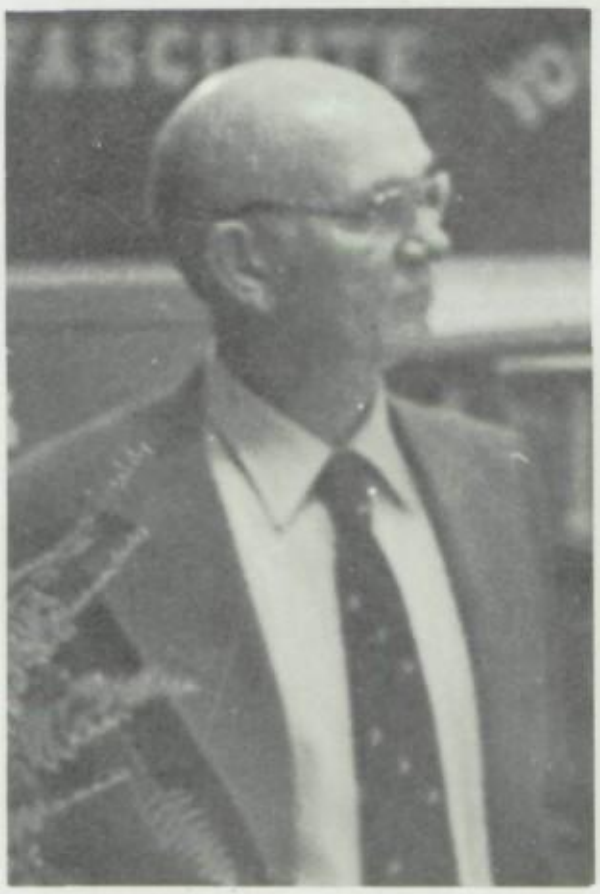
There have been potholes on this highway that have also caught your attention. The waste of natural resources, the increased threat of nuclear war, economic problems and environmental pollution threaten your life's journey.

The quality of life you will experience as you begin the major portion of your travels will, in large measure, be determined by the extent to which unique minds and rare talents found in each graduating class are developed. I hope that you will take the long look down the road so that you will make the right decisions and take the right actions for the right reasons more often than we ha. the past."

Mr. Vern Johnson, Superintendent

Laverne Johnson, Superintendent of Schools, has long been a driving force behind providing the best possible education to Kane area students. His dedication, pride, and zest for leadership have given the Kane Area School District a statewide reputation as a great place to go to school.

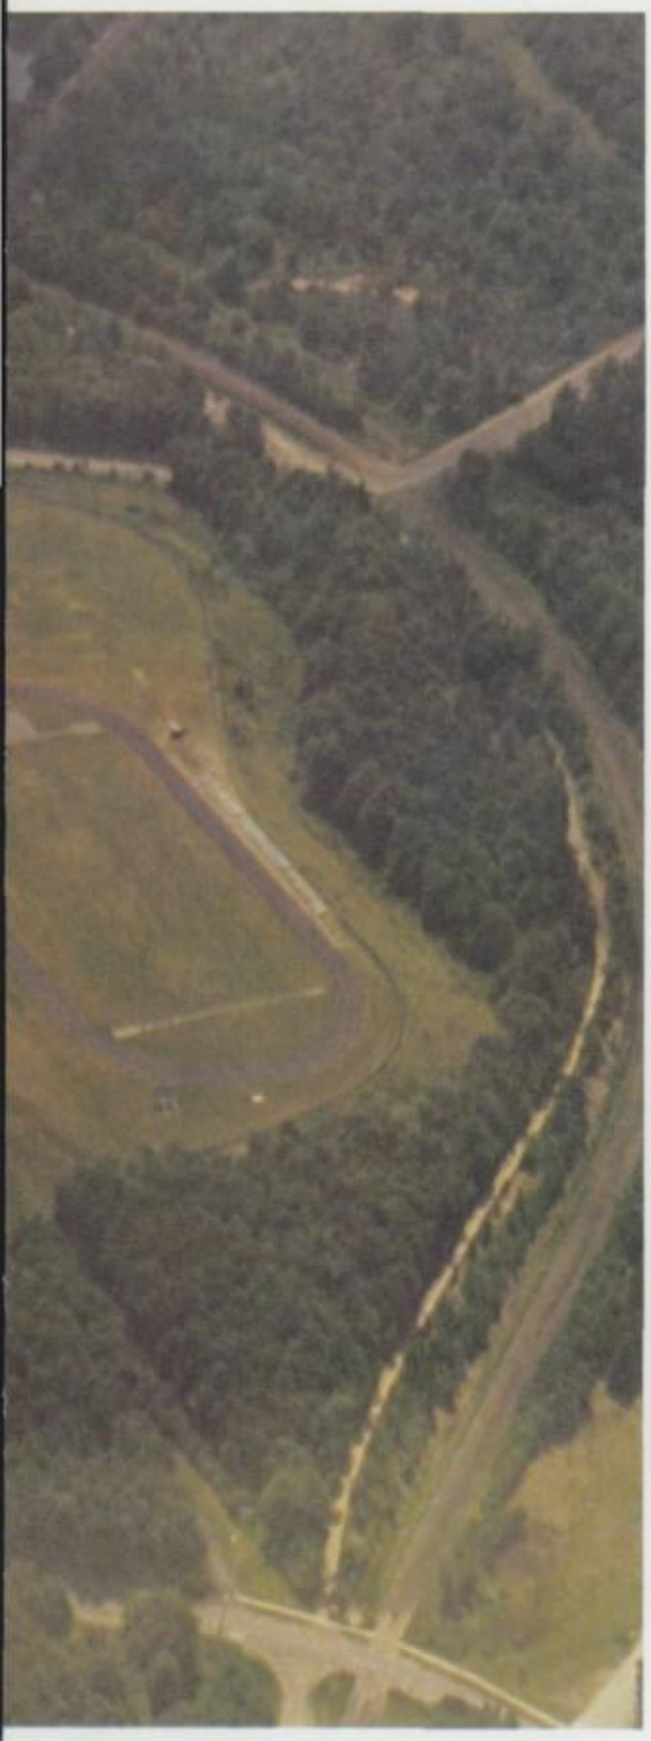


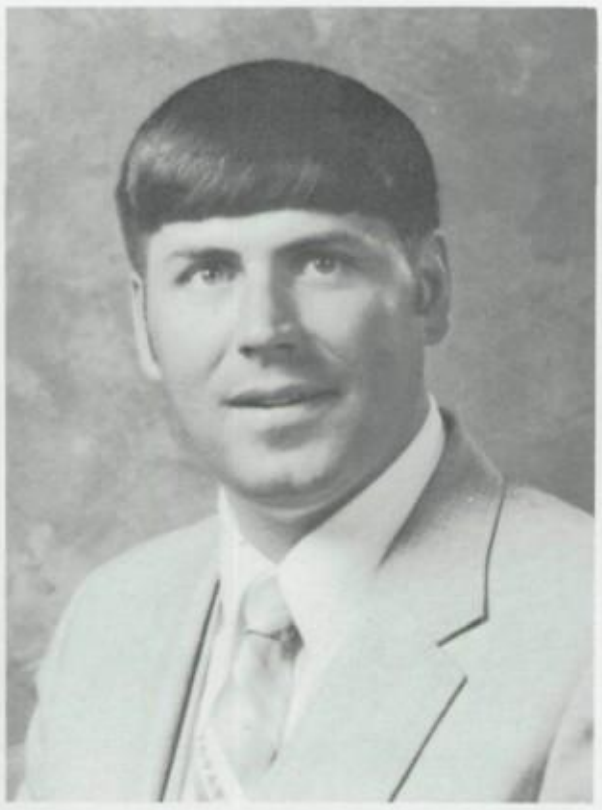


Principal's Message

CLASS OF '83

"Now that the end of your scholastic experience is here, many of you, undoubtedly, feel a sense of relief and perhaps a little sadness. Having endured approximately 14,000 hours of formal instruction and personal attention over the past twelve years certainly entitles you to such feeling. Hopefully, this education experience has adequately prepared you to assume a contributing role in our society.





If you are to leave Kane High with but one thought may it be a conscious awareness of the importance of knowledge. Continued pursuit and understanding of it will open many doors regardless what career you have chosen.

In closing, please accept my congratulations and my best wishes for health and happiness to all."

Mr. Hedlund, Principal

Language Department Undergoes Change

The new face in the language department this year was that of Mrs. Carlson. Throughout the year, she could be found in room 203 teaching English II, Speech, Social Protest, and English IV, as well as in the music room directing Chorus and Choraliers.

Mastery Learning was also introduced to English students this year. To achieve mastery, the learner had to score eighty percent or better on tests and quizzes. If mastery was not achieved, a second examination was given. This new technique was well received by both students and faculty and gave a new outlook to the study of English at Kane High.

Fine Arts Develop Creativity In Students

Kane High was very fortunate to have five excellent fine arts teachers this year. Mrs. Hartman introduced students to the world of drama through the Theater Arts classes. They learned basic acting skills, stage design, and lighting, as well as many other aspects of dramatics. Various productions highlighted this year.

Art students were instructed by Mr. Brown in the many branches of art. Jewelry making, crafts, and water color painting were some of the courses offered.

The music program underwent change this year with the introduction of Mrs. Carlson as director of the Choraliers and Chorus. Mr. Schmidt focused his attention on the Marching Band and Symphonic Band. The Orchestra was under the direction of Mrs. Schmidt. Each group performed in various concerts throughout the year. Through the Fine Arts, students were offered the opportunity to be creative while learning and having fun.

Enrolled In Scientific Courses

The Scientific curriculum has always been a prime choice of students who planned on going to college. This year was definitely no exception.

Students labored over insect collections in Mr. Smith's Biology class; qualitative analysis in Mr. Bryant's Chemistry class; and experiments in Mr. Boyer's Physic's class. Of course, there were many hours spent studying for tests in Biology, Chemistry, Physics, Nuclear Science, and Advanced Biology. Kane High's Mathematics department saw some changes this year. Mrs. Margaret Twidale was added to the faculty, teaching business Math and Plane Geometry.

Mastery Learning was also introduced to the math students. Courses such as Plane Geometry, Algebra II, Algebra III, Trigonometry, Applied Geometry, and Calculus were offered to students.

Figures, Facts, and Fantasies at K.H.S.

The business department of K.H.S. was busy this year teaching students the fundamentals of business and secretarial work. Personal Typing, Typing I and II, and Bookkeeping I and II were offered to students for further education or personal use. Office Practice was a two-credit course which provided practice in all the secretarial and clerical skills.

Every student who was enrolled in Kane High was required to complete World Culture, American History, and Social Studies. These courses gave students insight into various aspects of society stressing democracy, government, and anthropology.

Psychology, a senior elective, was taught by Mr. Bloomquist. Students covered many different topics such as Humanistic and Abnormal Psychologies and perception.

Students Learn Lifetime Skills

The main goal of the physical education department was to introduce to students sports and activities which they could pursue after leaving K.H.S. Archery, Soccer, Racquetball, and Physical Fitness, were among the sports offered. Sophomores were required to complete the aquatics course, which was taught by Mr. Rothenberger. They were instructed in basic water safety, water sports, as well as strokes and diving. It was plenty cold some Monday mornings, but all students learned a great deal.

The Vocation Agriculture and Industrial Arts curriculum gave students insight into many different lifetime skills. Courses such as Welding, Carpentry, Small engines and Hydraulics, Conservation, and Masonry, were taught. In many of the courses, students were required to complete practical projects.

Special People at K.H.S.

This year there was a group of faculty members who did different jobs. These instructors teach classes and do special things for students.

Mr. Hall served as guidance counselor. Scheduling students, helping with college applications, arranging visits from various college representatives, and doing much more is part of his job.

Home economics-related classes and bachelors survival were taught by Miss Stehman. Of course, anyone who has to teach guys to cook and sew deserves to be called special.

Mrs. Szymanski, Miss Snow, and Mr. Juban also taught special classes.

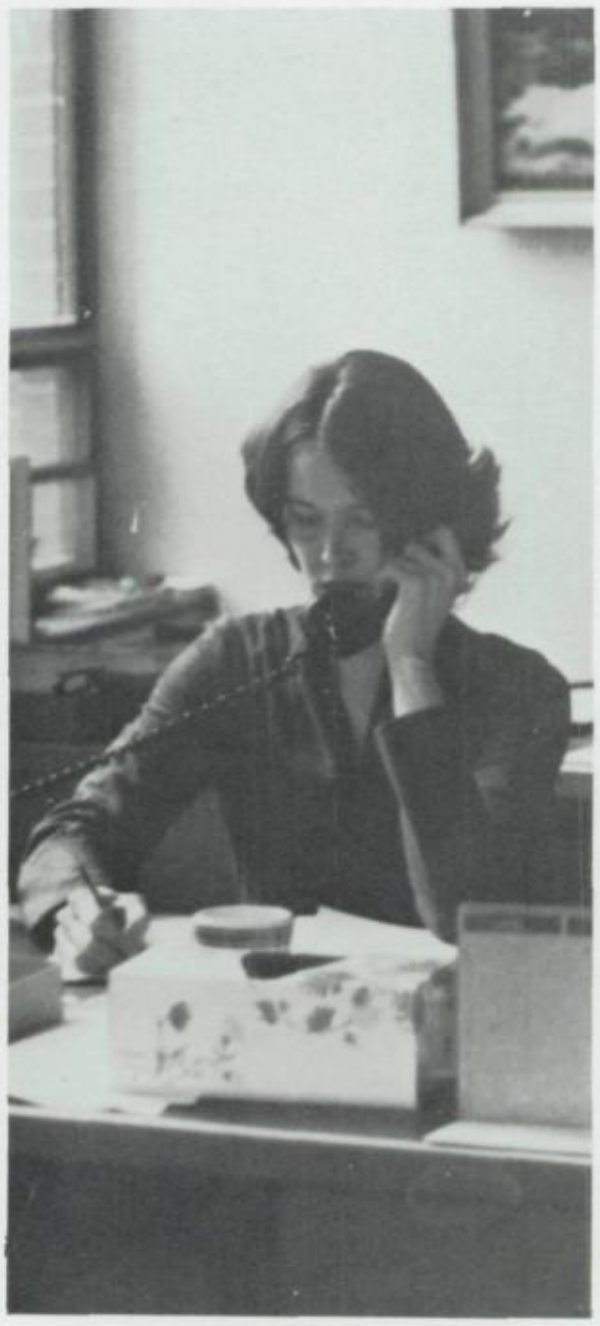
Secretaries Hold Down the Fort

It could be said that Kane High is held together by its secretaries. Whenever someone needs a ditto run off, papers typed or mailed, whether it be for a class or student organization, they are always willing to help. The secretaries can be found in the office making sure things run smoothly.
Pictured are Mrs. Ann Jones, Mrs. Ruth Kearney, Mrs. Gertrude Koza, and Mrs. Patricia Royer.



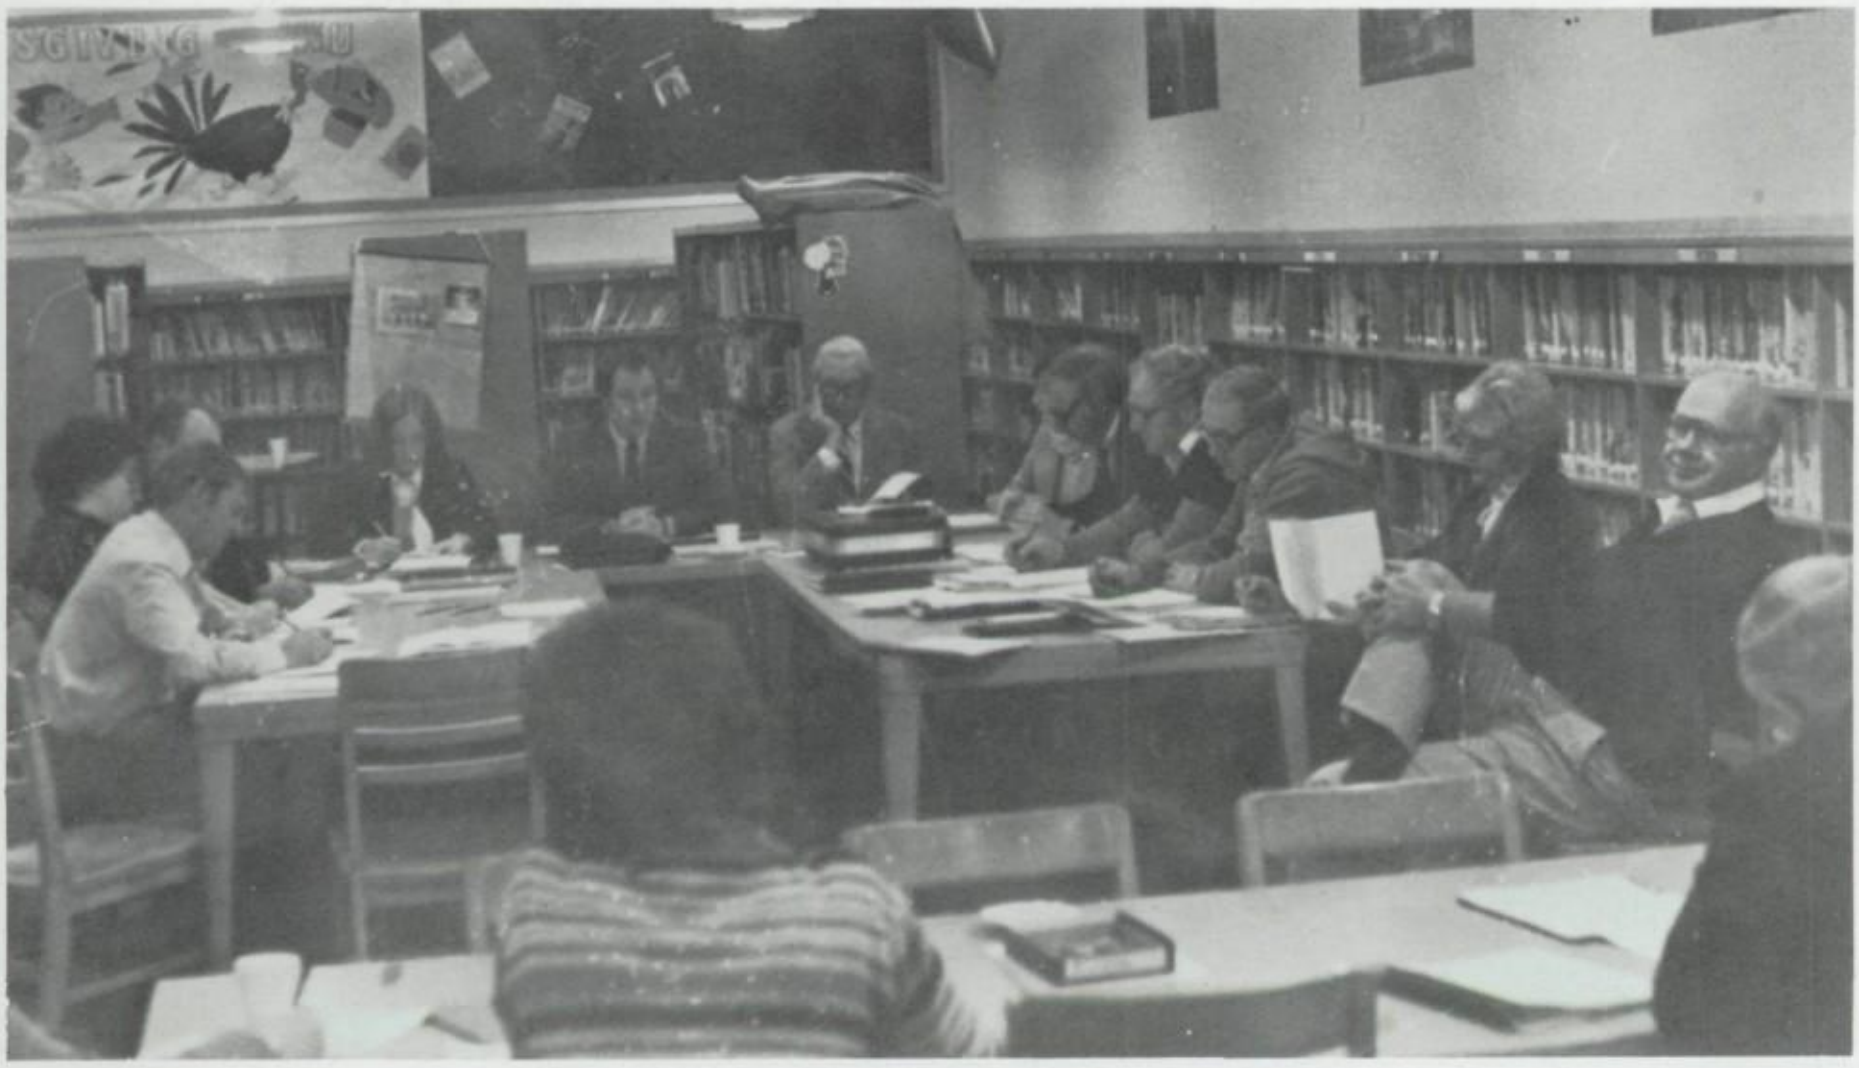
Kane High's Cooks and Custodians: The Best Around

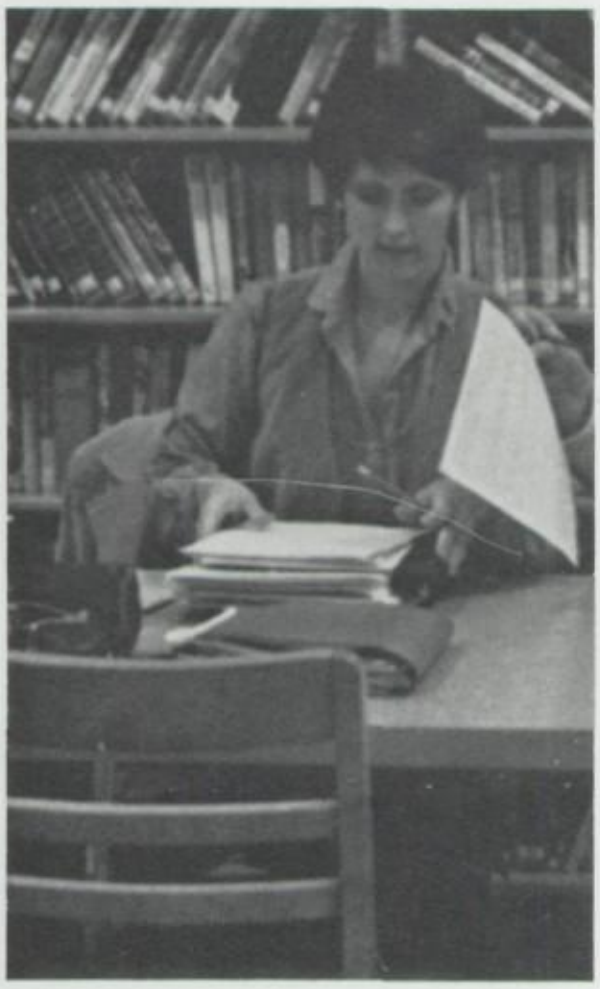
Kane High is privileged to have a terrific group of cooks this year. Each day they arrive early to prepare a hot lunch for students and faculty, as well as students from Clay Street Elementary school. They do a fine job of preparing good, nutritious lunches for everyone. Pictured at right are Joan Bizzak, Dorothy Anderson, Cora Steele, and Head Cook Joyce Gustafson.

The work of our custodians is apparant as soon as one walks through the doors of K.H.S. The spotless halls, clean restrooms, and bright comfortable classrooms, are kept that way through their work. Outdoor maintenance, such as mowing the lawn in the spring and fall, or shoveling walkways in winter, is also taken care of by the custodians. They work hard to make Kane High an enjoyable place to work, learn, and have fun.

Pictured at right are Richard Robertson, Bill Anderson, and Kurt Howe.

School Board Hard at Work





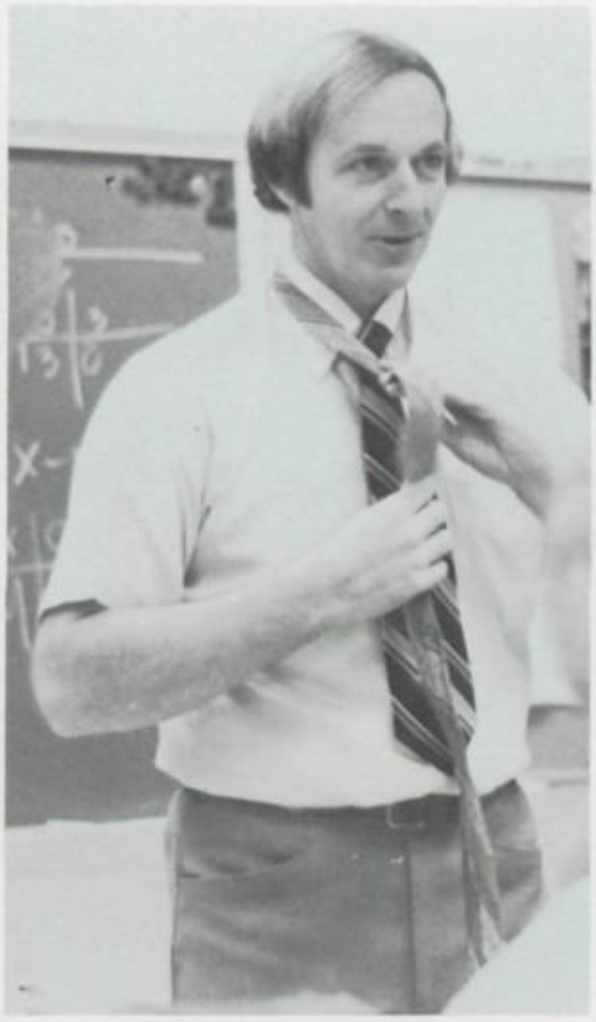
The Kane Area School Board is the driving force behind our school. Meeting once a month on the second Tuesday, the board consists of nine members, a board secretary, and a solicitor. These dedicated people are elected to their positions by the voters of the community and serve as the community's voice in the school system. The school board has three main responsibilities: policy making, executing, and appraising situations that arise. Board members spend many hours carrying out these responsibilities.

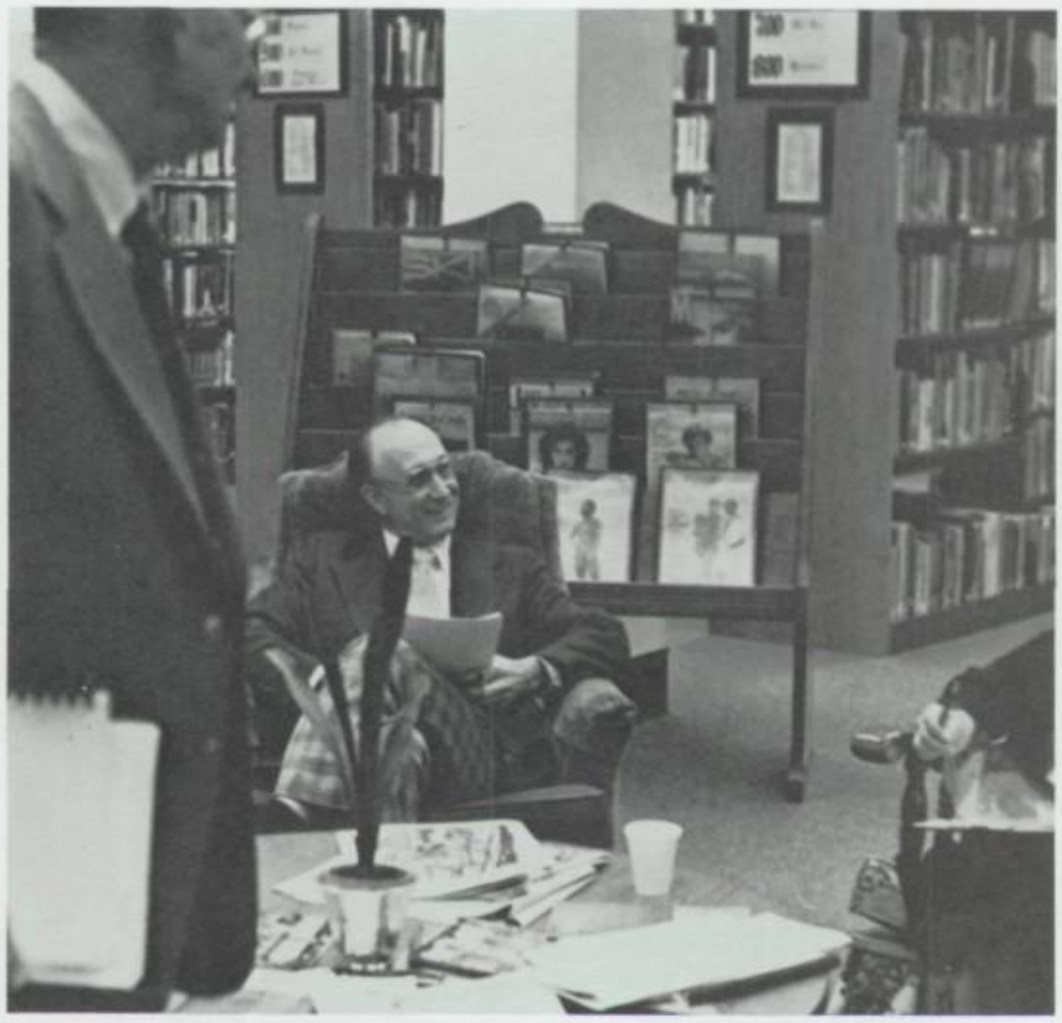
The school board strives to give students of the Kane Area School District the best education possible.

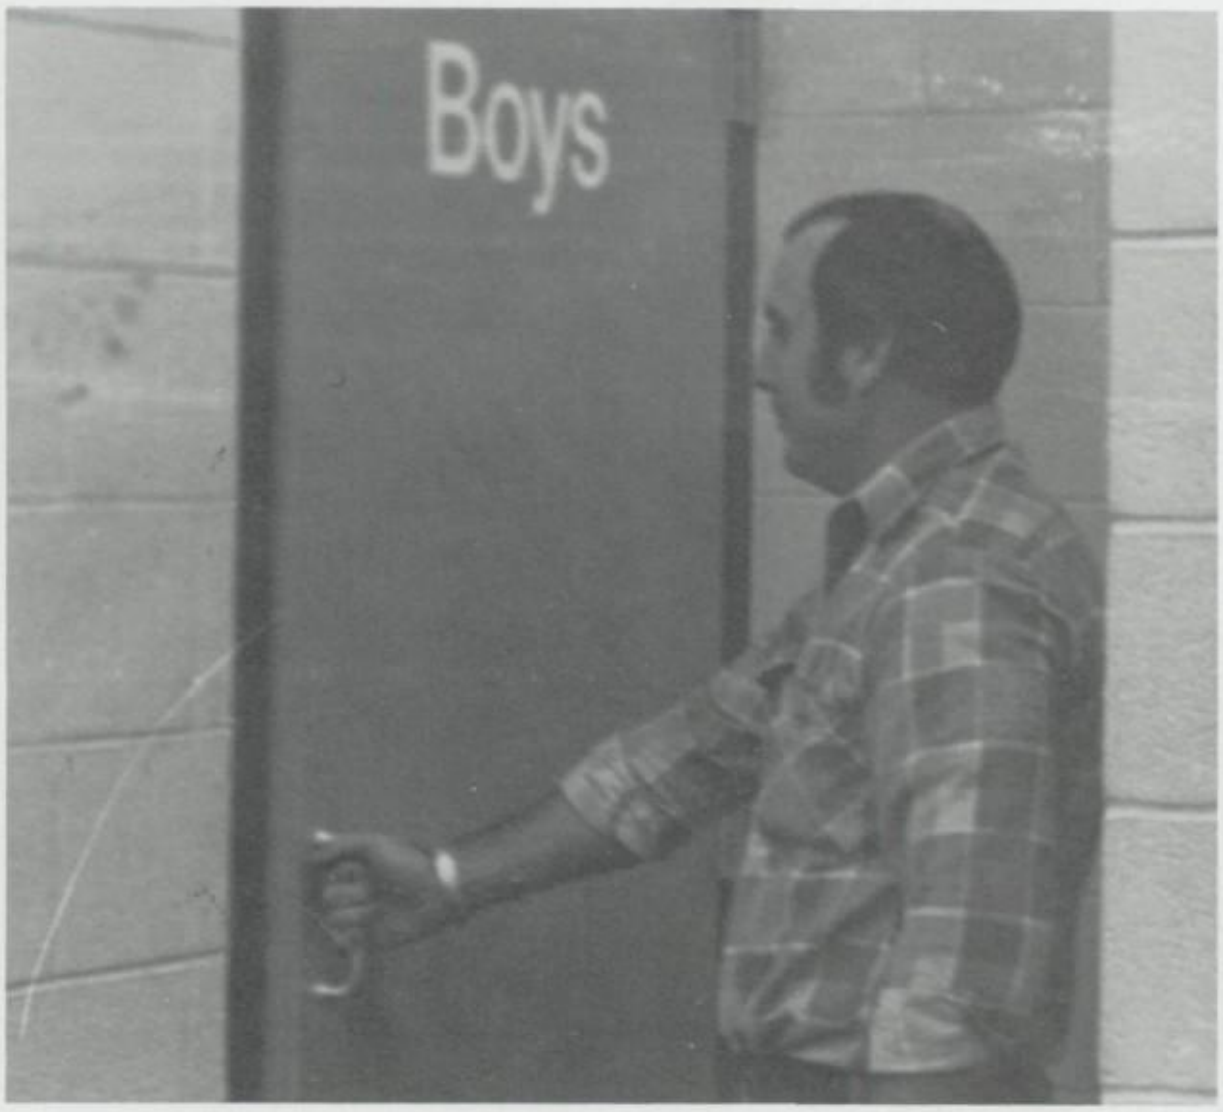
The picture above shows board members at their monthly meeting. School board members include Mrs. Linda Harris, James Lindquist, Mrs. Julie Cleland, Robert Magnuson, Joseph Kocjancic, David Malone, Robert Poklar, Mrs. Sue Noveosel, and Dr. James Maxwell, president.

"A Glimpse of Kane High's

Best In Action"







Athlete is a person trained in exercises, games, or contests requiring physical strength, skill, stamina, speed, etc.

Dedication is to set apart for a special purpose; devote to some work, duty.

Team is a group of people working or playing together, especially as one side in a contest.

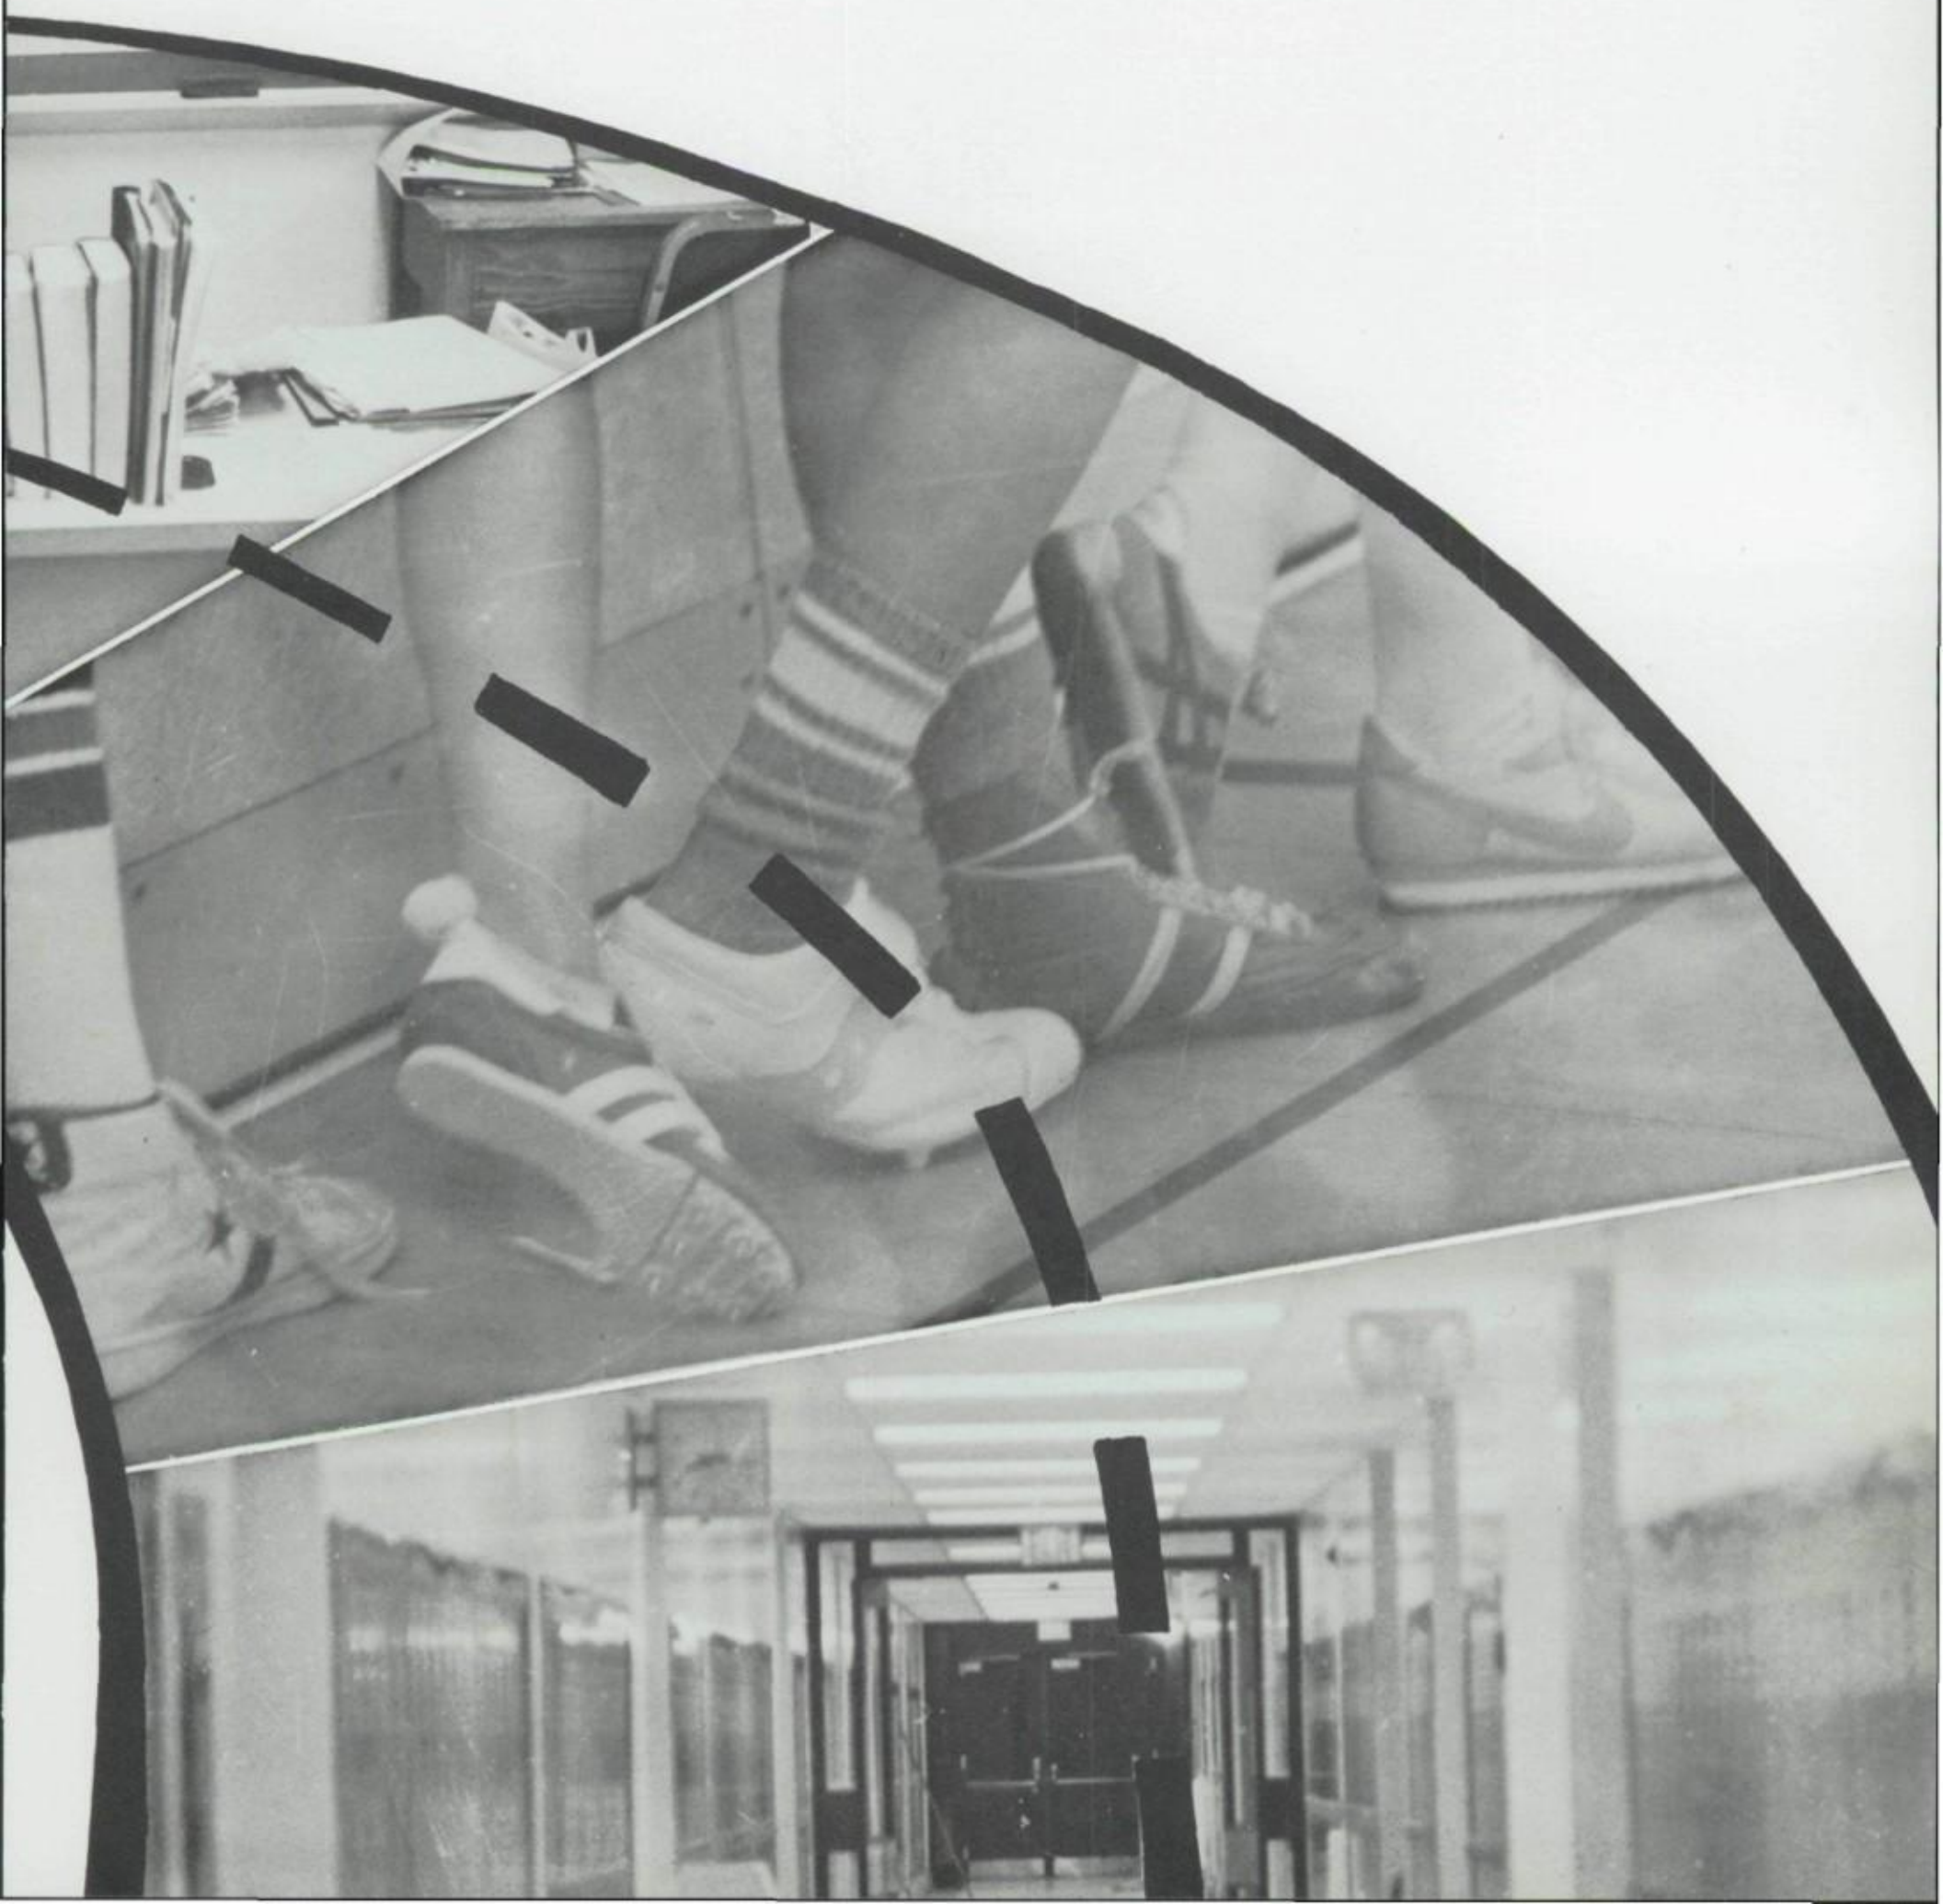
Spirit is enthusiastic loyalty.

Sport — any activity or experience that gives enjoyment or recreation and carried on according to some traditional form or set of values.

Kane High takes all the ingredients, mixes and produces excellent and excelling teams.

SPORTS

Glorious Guys and Gals



Inexperience, Quickness, Scrambling

Inexperience, quickness, scrambling defense, quick hitting and determination are the qualities that combined to form the most successful volleyball season ever. Building a team from only four returning varsity letter winners should have classified this season as a rebuilding year but, using basic skills developed while playing Junior Varsity, the squad rapidly evolved into a very powerful unit. The team played a 5-1 offense to take advantage of Linda Carlsson's exceptional setting skills. Quick spikes by Wendi Jenkins and Janet Parana and a powerful outside attack by Barb Phillips and transfer senior, Pam Furman, developed into the most diversified offense in the district. Defensively, Lisa "The Kamikaze" Forsyth set the pace by leading the team in outstanding saves. The ability of the entire team to always keep the ball in play was the most important factor relating to setting up a powerful attack.

The first annual Kane volleyball tournament was highlighted by the outstanding final match between Clearfield and the Wolves. Even though losing an "overtime" heartbreaker, this match proved the true ability level of the team. Seniors Janet and Linda were picked as tournament MVP's and they joined Wendi and Barb on the All-Tournament Team. A 3rd place finish at the Cochranton Tourney proved that the Wolves could compete successfully with the high-powered District X teams.

The climax of a most successful season came with a first ever District IX championship and a trip to the State Tournament at Shippensburg.

Losing only three players via graduation should set the stage for a very successful season in '83. Overall team depth, quickness and defensive ability should compensate for a lack of height as the Wolves chase the goal of reaching the "final four" at the State Tourney.

The thinclads' 1982 season was as close to perfect as a team could get: a 6-0 dual meet record and McKean County, Alkin League and District IX championships. An early season highlight was a 3rd place finish at the Kane Invite. Kane's overall strength was demonstrated at districts where a Kane athlete scored in every event. Individual district champs were Tom Anderson, shot put; Tom Horton, pole vault; Tom McKenna, 800 and 1600 meter runs. Kane also sent Doug Anderson, Rob Magnuson, Rob Williamson and the 3200 meter relay team to states. Tom Horton vaulted to a 4th place finish at states while Rob Magnuson placed 6th in the discus. Recipients of the outstanding track and fieldman awards were Jamie DeWalt and Tom Anderson. Tom McKenna received the James Manners Award for being the outstanding athlete in District IX. Next year's outlook is very promising, Kane has enough talent to win their 3rd consecutive District IX title.

Suspense is the only word to describe the 1982 District IX track meet. The 1600 meter relay had to place in order for the Wolves to win the meet. And place they did, finishing third which gave Kane its sixth title in five years. Individual district champs were Lori Robinson, 3200 meter run, and JoAnne Kocjancic, triple jump. JoAnne also competed in the long jump at states while Jeanne Batista ran the 400 meter run at Shippensburg. Along with a 5 and 2 dual meet record, the Wolves also outclassed their competition to win the McKean County and Alkin League championships. The award for the most points scored during the season went to JoAnne Kocjancic while multi-talented Janet Parana received the award for the most outstanding performer. Although much talent was lost due to graduation, next year's outlook is very bright in most of the events. All of the state competitors will return along with an experienced group of veterans.

The 1982 Kane Wolves team faced many adversities but showed a never- say-die spirit throughout the season. A major setback was the loss of quarterback Rob Williamson midway through the schedule. The high-powered offense led the Wolves to the 4th highest scoring total in the Big 30 averaging 21 points per game. Defense gave up an average of 12.4 points per game. The Wolves' offensive attack was led by Rob Williamson and Jeff Kocjancic passing to Tom Horton and Frank Bergman, while Doug and Joe Anderson provided the running attack.

Individual honors included: Tom Horton, Alkin All-Star Team; Rob Williamson and Steve Eck, Alkin and Bucktail All-Star Teams; and John Paul and Tom Rook, Alkin, Bucktail and Big 30 All-Star Teams.

Next season looks bright as many starters will return.

This year's season started with a bang but, unfortunately, ended with a whimper. To everyone's surprise, the Wolves won the Big Valley Invite, but soon thereafter sickness, injuries and inconsistency set in and depleted the squad's overall strength. The squad finished with a 3 and 2 dual meet record. Districts were held at Kane, but the home course advantage didn't help the Wolves. For the first time in 14 years, Kane failed to place 1st or 2nd. Tom McKenna and Dan Reigel were the only members of the 3rd place Wolves to go to States.

Most teams would have felt this was a good season, but trying to keep up with the shadows of past excellence can make a season seem poorer than it really was. Even after a 3rd place at Districts the team still ranked in the top six or eight teams in northwestern PA.

Next year's team will have to rely on team running to try to regain the top quality always exemplified by Kane X-C.

5th Consecutive Dist. IX Title,

Row I: L. Robinson, L. Sirline, L. Robinson, V. Smith G. Klara
Row II: P. Bell, J. Batista, L. Forsyth, K. Ishman,

The Kane girls continued in fine fashion towards their goal of a state championship. Because of inexperience, the team developed slowly but steadily reaching its peak at the Gannon Invitational where it took top honors. The girls then held this peak to the end of the season by clinching their 5th consecutive District IX championship and nailing down a solid 6th place at States.

Lori and Lisa Robinson were the Wolves' one, two punch with Lori winning the McDowell Invite and the District IX Title and Lisa placing 27th at States for the second highest finish ever for a Kane girl. The 3rd, 4th and 5th spots were held by first year underclassmen Vickie Smith, Jeanne Batista and Linda Sirline. An asset of the team was its excellent depth which came from Lisa Forsyth, Pam Bell, Georgia Klara and Kim Ishman.

Prospects for next year look great. With a lot of hard work, dedication and many summer miles, the girls could battle for the state crown.

Wolves Overcome Losing Streak

Row I: R. Funari, S. Kearney, P. Espin, A. Haberberger. Row II: Coach Haight, D. Stauffer, M. Paup, D.Hill, J. Kocjancic.

The first half of the 1982-83 boys basketball season was almost disastrous. The Wolves only won two games out of ten. But after the Christmas break the team went on to win five out of ten games. These latter games consisted mainly of Alkin League contests. Both the varsity and junior varsity teams were coached by first year coaches, Ron Haight and Rick Smith.

The line-up built around Steve Kearney, the only returning starter from last year's squad. Mark Paup, Dick Hill and Dan Stauffer led the inside scoring attack along with the rebounding. Being talented in scoring and rebounding enabled Andy Haberberger to play both strong and weak forward. The ballhandling and playmaking tasks went to the outside men, Rudy Funari and Steve Kearney.

The Wolves first win of the season was a thrilling, quadruple-overtime victory over Port Allegany. At the Bradford Christmas Tournament the Wolves grabbed third place by defeating the Hilltoppers of Fredonia, New York. Steve Kearney was selected to the all-tournament team.

The season was not quite over at the time of printing, but at that time the Wolves were in third place in the Alkin League and Steve Kearney was leading the Alkin league in scoring. Steve seemed to be assured a spot on the All-Alkin League first team.

As part of the new program of the new coach, a junior varsity team of all sophomores was selected. This was to give the players experience and build a base for the future. So the next couple of years of Kane High hoops looks very promising.

The 1982-83 girls basketball team got off to slow start, losing the first three games of the season. The girls then turned the season around quickly with the return of Senior Captain, Wendi Jenkins who had broken her ankle during the spring track season. Adena Vanerstrom (floor leader), Steph Morris (scorer and rebounder) and Wendi Jenkins led the way as the Lady Wolves won ten of their next twelve games. They finished the season with a 10-5 record and wound up with a league record of 8-2. The girls entered the District IX playoffs and took third place. There were also several individual honors. Co-captains Steph Morris and Wendi Jenkins were named to the All-Alkin league first team. Lynn Carlson made the second team while Adena Vanerstrom received honorable mention. The girls also placed fourth in the Bradford Thanksgiving Tournament featuring the best teams in District IX. Steph Morris was selected to the all-tournament team. The Lady Wolves finished out the season with a 10-8 record overall.

Despite being very underrated at the beginning of the season the Wolves went out and won nine straight dual matches. A strong 5th place finish at the Olean tournament opened the eyes of many of the Wolves opponents and made them realize that Kane was the team to beat.

The backbone of the Wolves line-up was the lightweights. When injury or sickness took a wrestler out of action, there was always somebody to fill in and do a super job. The most exciting lightweight was Todd Hulings, who proved to be the team's take down specialist. Middleweight, Mel Ibanez was a consistant winner along with Tom Rook. Stark Shrubb and Jim Deane shared duties at heavyweight.

Next year's outlook is bright with the loss of only three varsity wrestlers to graduation.

Golfers Gain Experience In 2nd Season.

Row I: Coach Dalton, S. Bentz, J. Wojcik, S. Cummings, K. Furman. Row II: B. Carty, D. Bush, D. Savoia, F. Wojcik, M. Gamble.

In only their second consecutive season, the golfing Wolves posted a match record of six wins and eight losses. At an early season tournament at Smethport, the Wolves placed sixteenth out of a total of twenty-two teams. They finished in seventeenth place at the District IX Championship and hope to improve on that mark next year. Kane also competed in the New York-Pennsylvania League for the first time.

Senior Mike Gamble was chosen as Most Valuable Player. Kris Furman, a transfer student from Coudersport, showed great promise at the end of the season. In addition to Gamble and Furman, two other players also lettered: Bruce Carty and Joe Wojcik. Steve Bentz and Sam Cummings, two eighth graders, gained valuable playing experience.

Coach Dalton is very optimistic about the Kane High golf team for next season.

Win or Lose, the Cheerleaders

L to R: B. Taylor, D. Zega, K. Cummings, M. Jerman, C. Mussen, L. Cunningham, P. Zook, J. Bizzak, B. Paup.

Win or lose the cheerleaders will keep up the school spirit. This very talented squad was led by advisor Miss Caruso. The school week of a Kane High cheerleader is a very busy one depending on which sports are in season. During the fall there are varsity football games on Saturdays and junior varsity games on Mondays. Tuesday and Thursday nights are occupied with girls basketball.

When the winter sports season rolls around the cheerleaders cheer for a victorious wrestler on Tuesday and Thursday nights and hope for that last-second, game-winning shot against Port when the Wolves take to the court on Tuesday and Friday nights. Who could forget those Wednesday practices after school where they find out how many demerits they got for chewing gum at the wrestling match the night before.

After the winter sports are over the girls will try to regain the District IX Cheerleading title that eluded them last year. Next year's will consist of the same faces because only Cathy Mussen will be leaving due to graduation.

Keep Up the School Spirit.

What is Sport?

Nobody has ever been able to say what sport is, quite.
But life would hardly be the same without it.
Perhaps that's because sport means a number of opposite things.
It means fact and it means fancy.
It is as tangible as a baseball bat and as intangible as a frosty morning; exciting as a photo-finish, serene as ebb tide.
It is competition; composure; memory; anticipation.
Sport is not all things to all people.
But today it is something in more different ways to more people than it has ever been before.
It is play for many and work for a few.
It is what no one ***has*** to do and almost everyone ***wants*** to do.
It represents on the one hand, challenges willingly accepted — and on the other, gambits willingly declined.
Its colors are as bright as a cardinal's feathers, as soft as midnight on a mountain trail.
It is as loud as Dodger Stadium at the climax of a World Series — and as quiet as snow.
It is exercise and rest. It is man exuberant and man content.
In America today sport is not just a dream that lies over the rainbow, but an awakening that brings a family together — on a boat or beach, skiing weekend or camping trip.
Sport is not art or religion, morals or ideas.
But with all of these it shares values which are at least humanly high and always highly human. Sport is a wonderful world.

By Webster's definition, a student is a person who studies, especially in school, and life is the period during which a person or thing is alive.

Therefore student life must be the period of time during which a person, who studies, is alive. But student life is much, much, more. It's all the friends we've made, all the games where we cheered on the Wolves, and all the dances to which we've gone. Student life is all the bits and pieces, the everyday occurences, and the special occasions that make school more than classes; they make it an experience to remember as we move along through the years.

STUDENT LIFE

Fun Times At Kane High

Drive Proves to Be Successful

Dedicated KHS seniors frantically sold magazine subscriptions raising $47,496.45, breaking last year's record. The Class of 1983 held the magazine drive September 2-20.

The hardworking co-chairmen for the drive were Ramona Stovic and Renee Olson. They were assisted by the auditing committee, the art committee, and the homeroom co-captains.

The theme of the drive was 'Smurfin' to D. C." Each homeroom was represented by a different Smurf character. Room 207 was the high selling homeroom with a total of $9,539.64. The students of homeroom 207 were treated to a pizza party and each student received a stuffed pac-man. Room 107 finished second with a total of $7,116.56. Each senior had an individual quota of $170 but needed $340 to go on the Sr. Class Trip free of cost.

High salesman for the drive was Steve Kearney, who set a new Kane High record by selling $1,162 in magazine subscriptions. Other high salesmen were Suzette Confer — $975.40, Cindy Okruch — $724.16, Shelley Hall — $719.53, and Matt Warner — $712.76. The hard work paid off as the Class of '83 traveled to Washington D.C. on May 4-6th.

Just Between You and Me

One of the highlights of the 1982 school year was the Junior-Senior Prom, held on Saturday evening May 8. The Juniors, under the direction of Junior Class Advisor, Miss Stehman, and the chairpersons, presented the theme "Just Between You and Me."

After many months of preparation, the decorating began on Friday, May 7, and was finally completed at 3:30p.m. the following afternoon. The decorations were lavender, mint green, and white and they suggested a tropical setting. The showcase was covered with tissue flowers and displayed colorful fans. A funnel of streamers led the 110 couples to the dance area where the ceiling was draped with streamers and many different kinds of plants added to the tropical atmosphere.

The Prom began at 8 p.m. and lasted until 11 p.m. The couples danced to the music of "Friction." During the course of the dance, Julie Jones was crowned Prom Queen and Tim Warner was chosen Prom King.

The post prom began at 12:30 a.m. at the Elks Club. Music was provided by "Tite-End." At 3:30 a.m., the memorable evening drew to a close.

Talent Showers Miss Kane High Competition

On the afternoon of February 26, the Junior Class selected Barbara Phillips to reign as Miss Kane High during the 1982-83 school year.

Barb was chosen after demonstrating her talent by singing "The Sweetest Thing," accompanied by Linda Carlsson on the piano.

First runner-up for the event was Joni Detrick, who performed a baton-twirling routine to "Hit Me With Your Best Shot." Other contestants were JoAnne Kocjancic with a dance routine to "Its a Love Thing," Kris Morris singing "Just Remember I Love You" accompanied by Nancy Detrick on the guitar, and Annette Lemke singing "The Theme From Ice Castles" accompanied by Sterling Watts on the piano.

The Junior Class was proud to have Barb reign as Miss Kane High and even prouder to have her represent Kane Senior High at the McKean County Fair last August.

1982 Homecoming Upholds Tradition

The traditional parade and bonfire kicked off the 1982 Homecoming on the evening of October 8. The following afternoon the Kane Wolves defeated the Sheffield Wolverines 36-3 for a crowd-pleasing Homecoming victory. During halftime, senior players Rob Williamson, John Paul, and Steve Eck crowned Joni Detrick as the 1982 Homecoming Queen. Jon Perry was her escort. The other candidates, all chosen by the senior class, and their escorts were Pam Bell and Dan Reigel, Kim Bloomquist and Andy Haberberger, Karen Huckabone and Mitch Rotar, JoAnne Kocjancic and Mark Paup, Kris Morris and Tom McKenna, and Tammy Ross and Steve Kearney. The annual Homecoming Dance was held October 9th from 8 p.m. — 11 p.m. The music was provided by the "Movies."

Moving Right Along

8:00 — Stepping off the school bus, I casually find my way to the front doors. I see my friends gathered by the window sill and I stop to talk to them. Before I know it, it is 8:12 and I must go to my locker now.

8:15 — I dashed into homeroom five seconds late, boy did I get the evil eye. The announcements come on and as usual I can't hear them. During S.S.R. I dozed off. I hope I didn't snore too loud!!

Morning classes — As my classes first begin, I worry about my two tests and hope I do well in each. Oh no, my stomach is growling and I don't eat until third lunch period!

Lunch — Thank heavens we're having my favorite, but as usual I'm in the back of the line. "Hey, how did he get in front of me?" Time flies and before I know it, I'm back in class.

Afternoon classes — Unlike my morning classes, my afternoon classes go by quickly. I hope she doesn't quiz us on the movie.

Finally, it's 3:05, and Patty's voice comes on the announcements. We all wait impatiently for the words "Thank you."

Whether riding or walking home, I reflect on the day's events and decide that the day wasn't that bad after all.

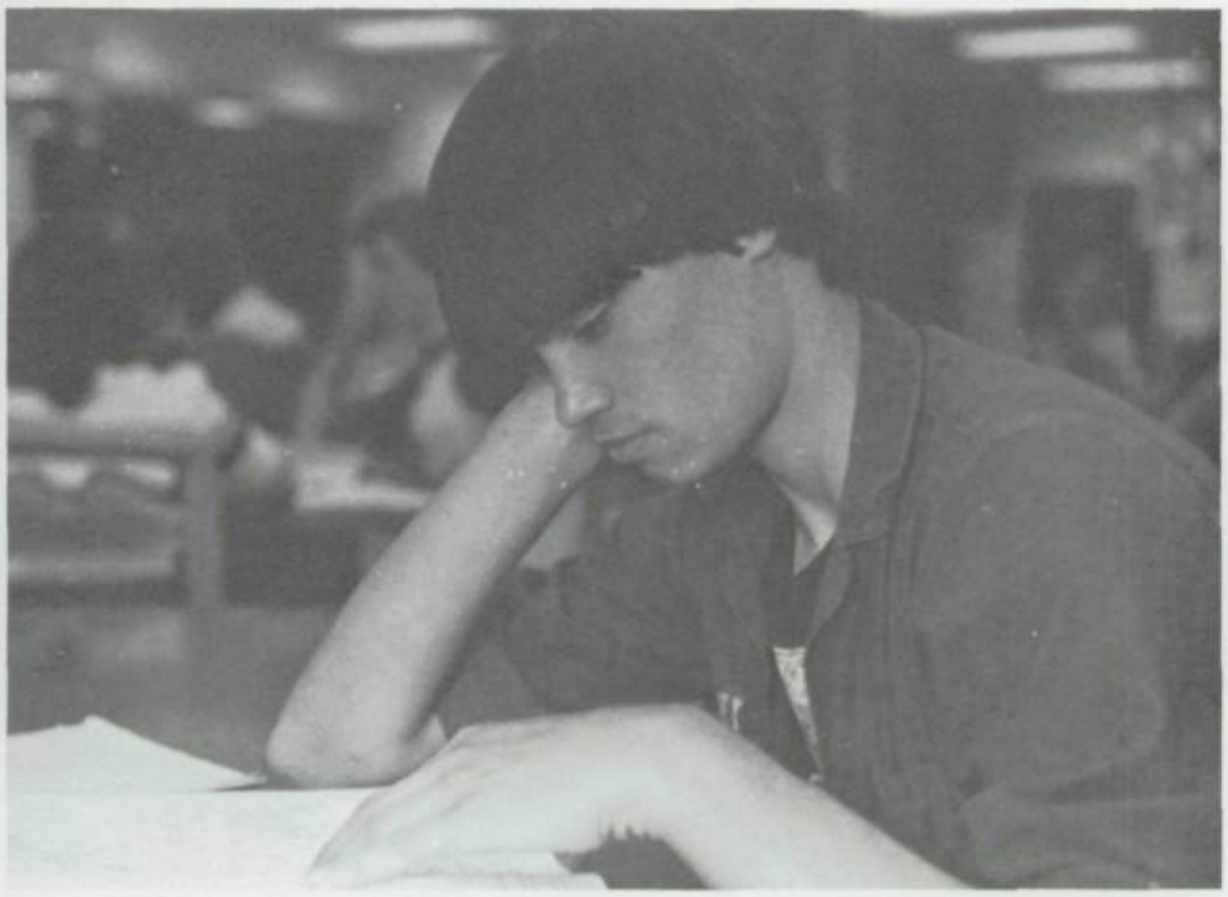
Their Minds



What Will You Remember Most About Your Senior Year?

I will remember being chosen for State Chorus; and all the times in Advanced Biology, and working until late the night before a yearbook deadline.

— Becky Olson

All the reports, all the college hassle, and all the fun.

— John Paul

That everybody always told me that my senior year would be real easy and I still had to take Physics and Calculus.

— Dan Reigel

How hard it was to keep up your grades just high enough to graduate.

— Rick Shrubb

Mostly I'll remember the hours and hours I spent working on the Magazine Drive, but I will also never forget the close friends I've made this year and the great times we had.

— Ramona Stovic

I will remember Bloomy's party cheer.

— Carl Swanson

Students On The Move

Hurri-Kane Staff Moves Right Along!

The 1983 Hurri-Kane staff was comprised of a bunch of enthusiastic editors giving a whole new look to Kane High's yearbook. This year the Hurri-Kane was published by the Herff-Jones Company for the first time. Along with the new company came new ideas and different styles.

The Hurri-Kane editors, under the leadership of editor-in-chief Bobbi Tunall, labored long hours in their free time to put together an exciting book of memories. In the end, their brainstorming, individual creativity and hard work paid off!

I would like to thank the staff, understaff, and Mr. Brown for all their time and help. There have been a lot of worries and tears, but it has all paid off. We hope we have captured the memories that have been created at K.H.S. this past year. This book has been a part of my senior year as well as the staff's, and definitely a stretch of highway on our road of life. I hope you enjoy the 1983 Hurri-Kane and cherish all the memories it holds. May you find the best awaiting you along your road of life.

Best wishes,
Bobbi Tunall

The Athletic Association, A. A. is a service organization of Kane where the students involved give up their time to sell tickets, programs, candy, and refreshments at football and basketball games, wrestling and volleyball matches, and other activities such as tournaments and invitationals.

The students often hold bake sales and annually take a year-end trip in reward of their efforts. Mr. Edward Bryant is their advisor.

The officers are from left to right: Lisa Forsyth, Ramona Stovic, Karen Huckabone, Bobbi Tunall, and Wendi Jenkins. They were selected by the members of the senior class for their sense of responsibility and leadership qualities.

Student Council — Government, Leadership, Activities

Student Council is the student government of Kane High. Under President Andy Haberberger, the council planned school dances, assemblies, and other activities in the best interest of the student body. Although the council got off to a slow start, activity began to pick up pace in the middle of the year. Some council-sponsored activities included a frisbee assembly, a volleyball demonstration by the Penn State team, the Homecoming and Snowball dances, and a community talent show.

The members of Student Council are Row 1: M. VanDervoort, K. Kibbie, A. Lemke, P. Bell, K. Morris, and L. DeChano. Row 2: J. Batista, T. Zampogna, K. Huckabone, D. Hanson, and L. Carlson. Row 3: S. The shutter club of Kane High was too shy to have its picture taken, so we captured the guys in candids, along with examples of their work. Students interested in photography are found in this organization. This small group, under the direction of Mr. Brown, takes pictures of student life, sports, and many other activities. These students also take pictures that are found throughout the Hurri-Kane.

Future Farmers Travel Far

Future Farmers of America is an organization of boys and one girl — Amy Johnson. They are affilated with the state and national FFA organizations. Mr. Rick Fritz teaches them about different soils, agricultural mechanics and other farm-related techniques. Each year the group sells citrus fruit to the community as its annual money-raising project. To demonstrate their generosity, this kind-hearted bunch of guys donates food and toys each Christmas to the Salvation Army to be distributed to the needy.

This past year two Kane High fellows excelled in their fields. Junior Paul English placed 6th in the agricultural mechanics contest, allowing him to travel to Massachusetts to compete again. Mike Mehalko, a senior, climbed the ladder of success to place 2nd and to on to Kansas City, Missouri to show his stuff. Congratulations!

The Fellowship of Christian Athletes is a group of students pulling together for one great cause — to become more Christ-like. This group, a member of the Nationwide FCA Association, often meets in the evening to discuss the Bible and to share great times together frequently in the gym. These students also enjoy an annual tureen dinner, a Christmas breakfast, and a mini-conference held in the spring along with other activities. Any student who wants to may attend FCA camp in the summer held at various college campuses. The FCA advisors are Coach Smith and Coach Bloomquist.

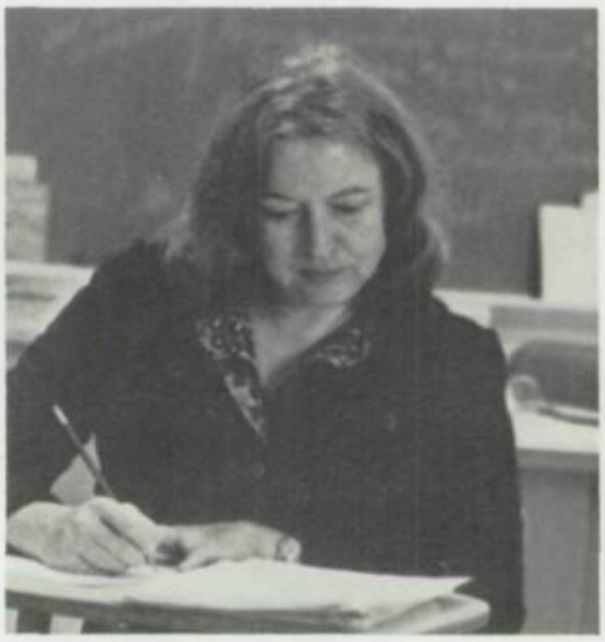
The Hi-Life staff is a group of students that put a lot of time and effort into producing the school newspaper. This year the Hi-Life featured such items as Pickles and Petunias, Top Ten, high school sports, student activities, a column devoted to increasing student awareness of common teen concerns, poems, stories, and many other featured articles, all written by Kane high students. Deb and her staff did an excellent job producing many delightful pages in each issue. Their advisor is Mrs. Robinson.



Short Ski Season Disappoints Skiers

Members are left to right; B. Thompson, P. Bell, L. Marconi, S. DeWalt, and B. Olson.

Due to a lack of snow, Kane High skiers could be seen walking the halls with gloomy looks upon their faces. Until mid-January when they finally hit the slopes. The small group traveled to the Buckaloons in Youngsville to spend fun-filled Wednesday nights on the slopes, leaving homework, worries and cares at home. Mr. Dalton and Miss Caruso serve as the Ski Club advisors.

They are not little round candies with holes in their middles, but students who have met strict requirements to obtain life-saving certificates. These lifeguards work with Mr. Rothenberger at the pool side during public swims.

The Aquatic Leaders Club is a praise-deserving, water loving bunch who help Mr. Rothenberger by serving as assistants in his sophomore aquatics classes.

Active Students at K.H.S?

WARS

New Looks, New Sounds, New Faces

Many new, exciting things happened in the music department this year. Kane High's band, under the direction of Mr. Jack Schmidt, could be seen marching across football fields and in parades displaying the band front's new uniforms, as well as their talents.

The Choralier singing group lit up the stage on concert nights with smiles and colorful tunics, while Mrs. Janet Carlson, a newcomer to KHS, conducted them. Mrs. Carlson also directed the Kane High Chorus.

The Madrigals, a group of thirteen choralier members, was directed by Mr. Schmidt. Besides concerts, these singers performed at various dinners and luncheons.

The Stage Band, also under the direction of Mr. Schmidt, performed many jazzy selections while sitting behind new red and blue wooden music stands, an appreciated gift received from Mr. Robert Hearst.

Last, but definitely not least, is the Orchestra. Under the direction of Mrs. Jack Schmidt, these talented musicians performed beautifically at each concert.

Kane High was honored to have Becky Olson, Kirsten Benson, Deb Hanson, Sandy DeWalt, and Scott Schul represent them at the PMEA District 2 Choral Festival held at Johnsonburg in November. Becky and Scott climbed higher on the music scale when they traveled to the Regional Choral Festival held in Punxsatawny in March.

Special Congratulations go to talented Becky Olson who moved on to bigger and better things when she was chosen to attend the State Choral Festival held in Harrisburg in January. From there she traveled to Boston to sing with the All Eastern Chorus in February.

Kane High was also honored to have Kirsten Benson, Phil Spencer, and Karen Johnson represent them at the Midwestern-Northwestern District Orchestra Festival held in Sharon in January.

Students chosen for District Band, held at Meadville in February, include Betsy Austin, Amy Bennet, Alan Kohut, and Kirsten Benson.

Lynn Carlson, Jill Arnold, Patty Zaunick, Shelley Hall, Kirsten Benson, Mary Mohney, Alan Kohut, Richard Gantz, and Betsy Austin all attended I. U. 9 Band held at Elk County Christian High School in February.

Congratulations to a fine bunch of talented students!

Majorettes

The band front is a group of charming young ladies who perform various feats at football games and parades. The twirling batons, rifles, and flags are always a joy to watch. This past year the girls worked extra-hard to earn money to buy new uniforms. The band front's advisor is Mrs. Hearst. Captains of the front are Rifles, Karin Nelson; Flags, Terri Malone and Gina Ferranto; and Majorettes, Shelley Hall and Joni Detrick.

This year's FHA will be traveling to Lancaster with fifteen girls raring to go learn what FHA stands for and how to prepare for next year. This group of girls work hard to raise money for the trip by having bake sales, dances and selling home cleaning products. The officers going will hopefully bring back awards to show what they have done the past year. The girls in FHA may also purchase a jacket with the insignia on the back and their names and graduation date on the front.

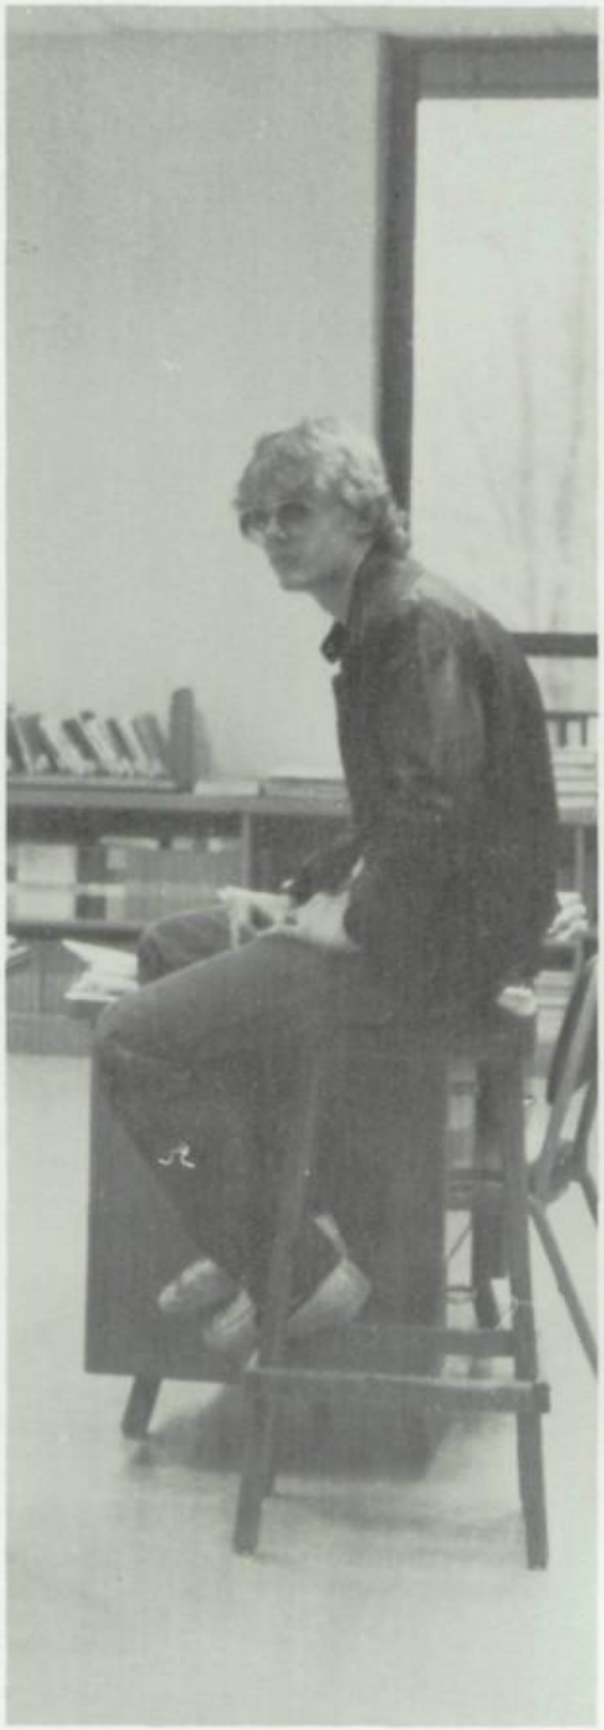
The officers are from L. to R.: Secertary, J. Peterson; Treasurer, J. Smith; Vice-President, T. Rose; and President, C. Okruch.

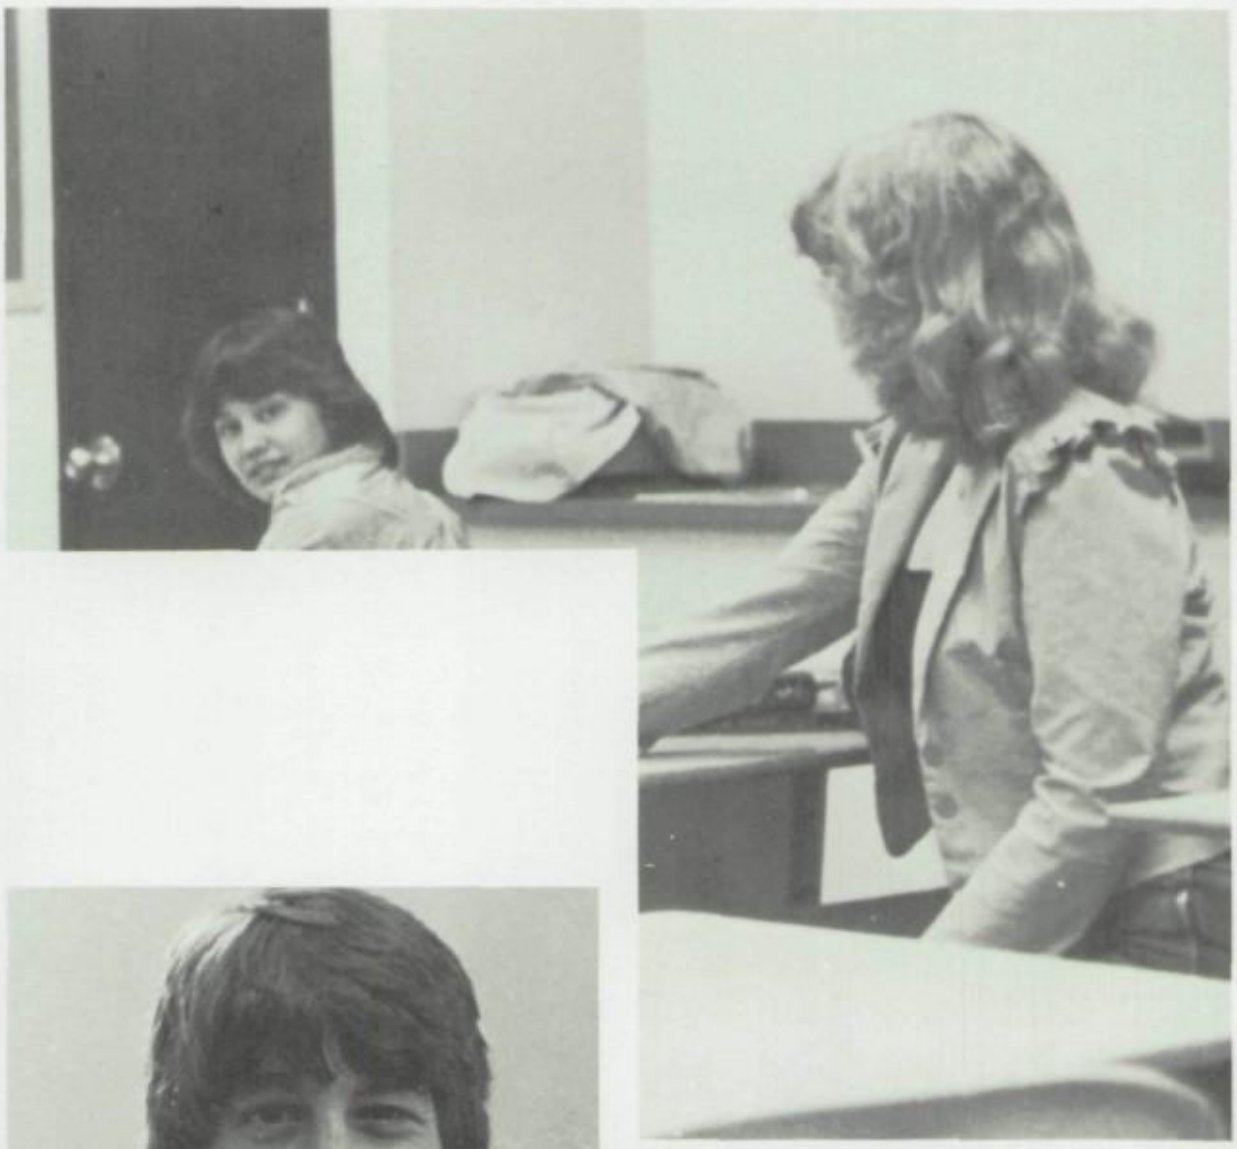
Miss Snapp's Helpers Get the Job Done!

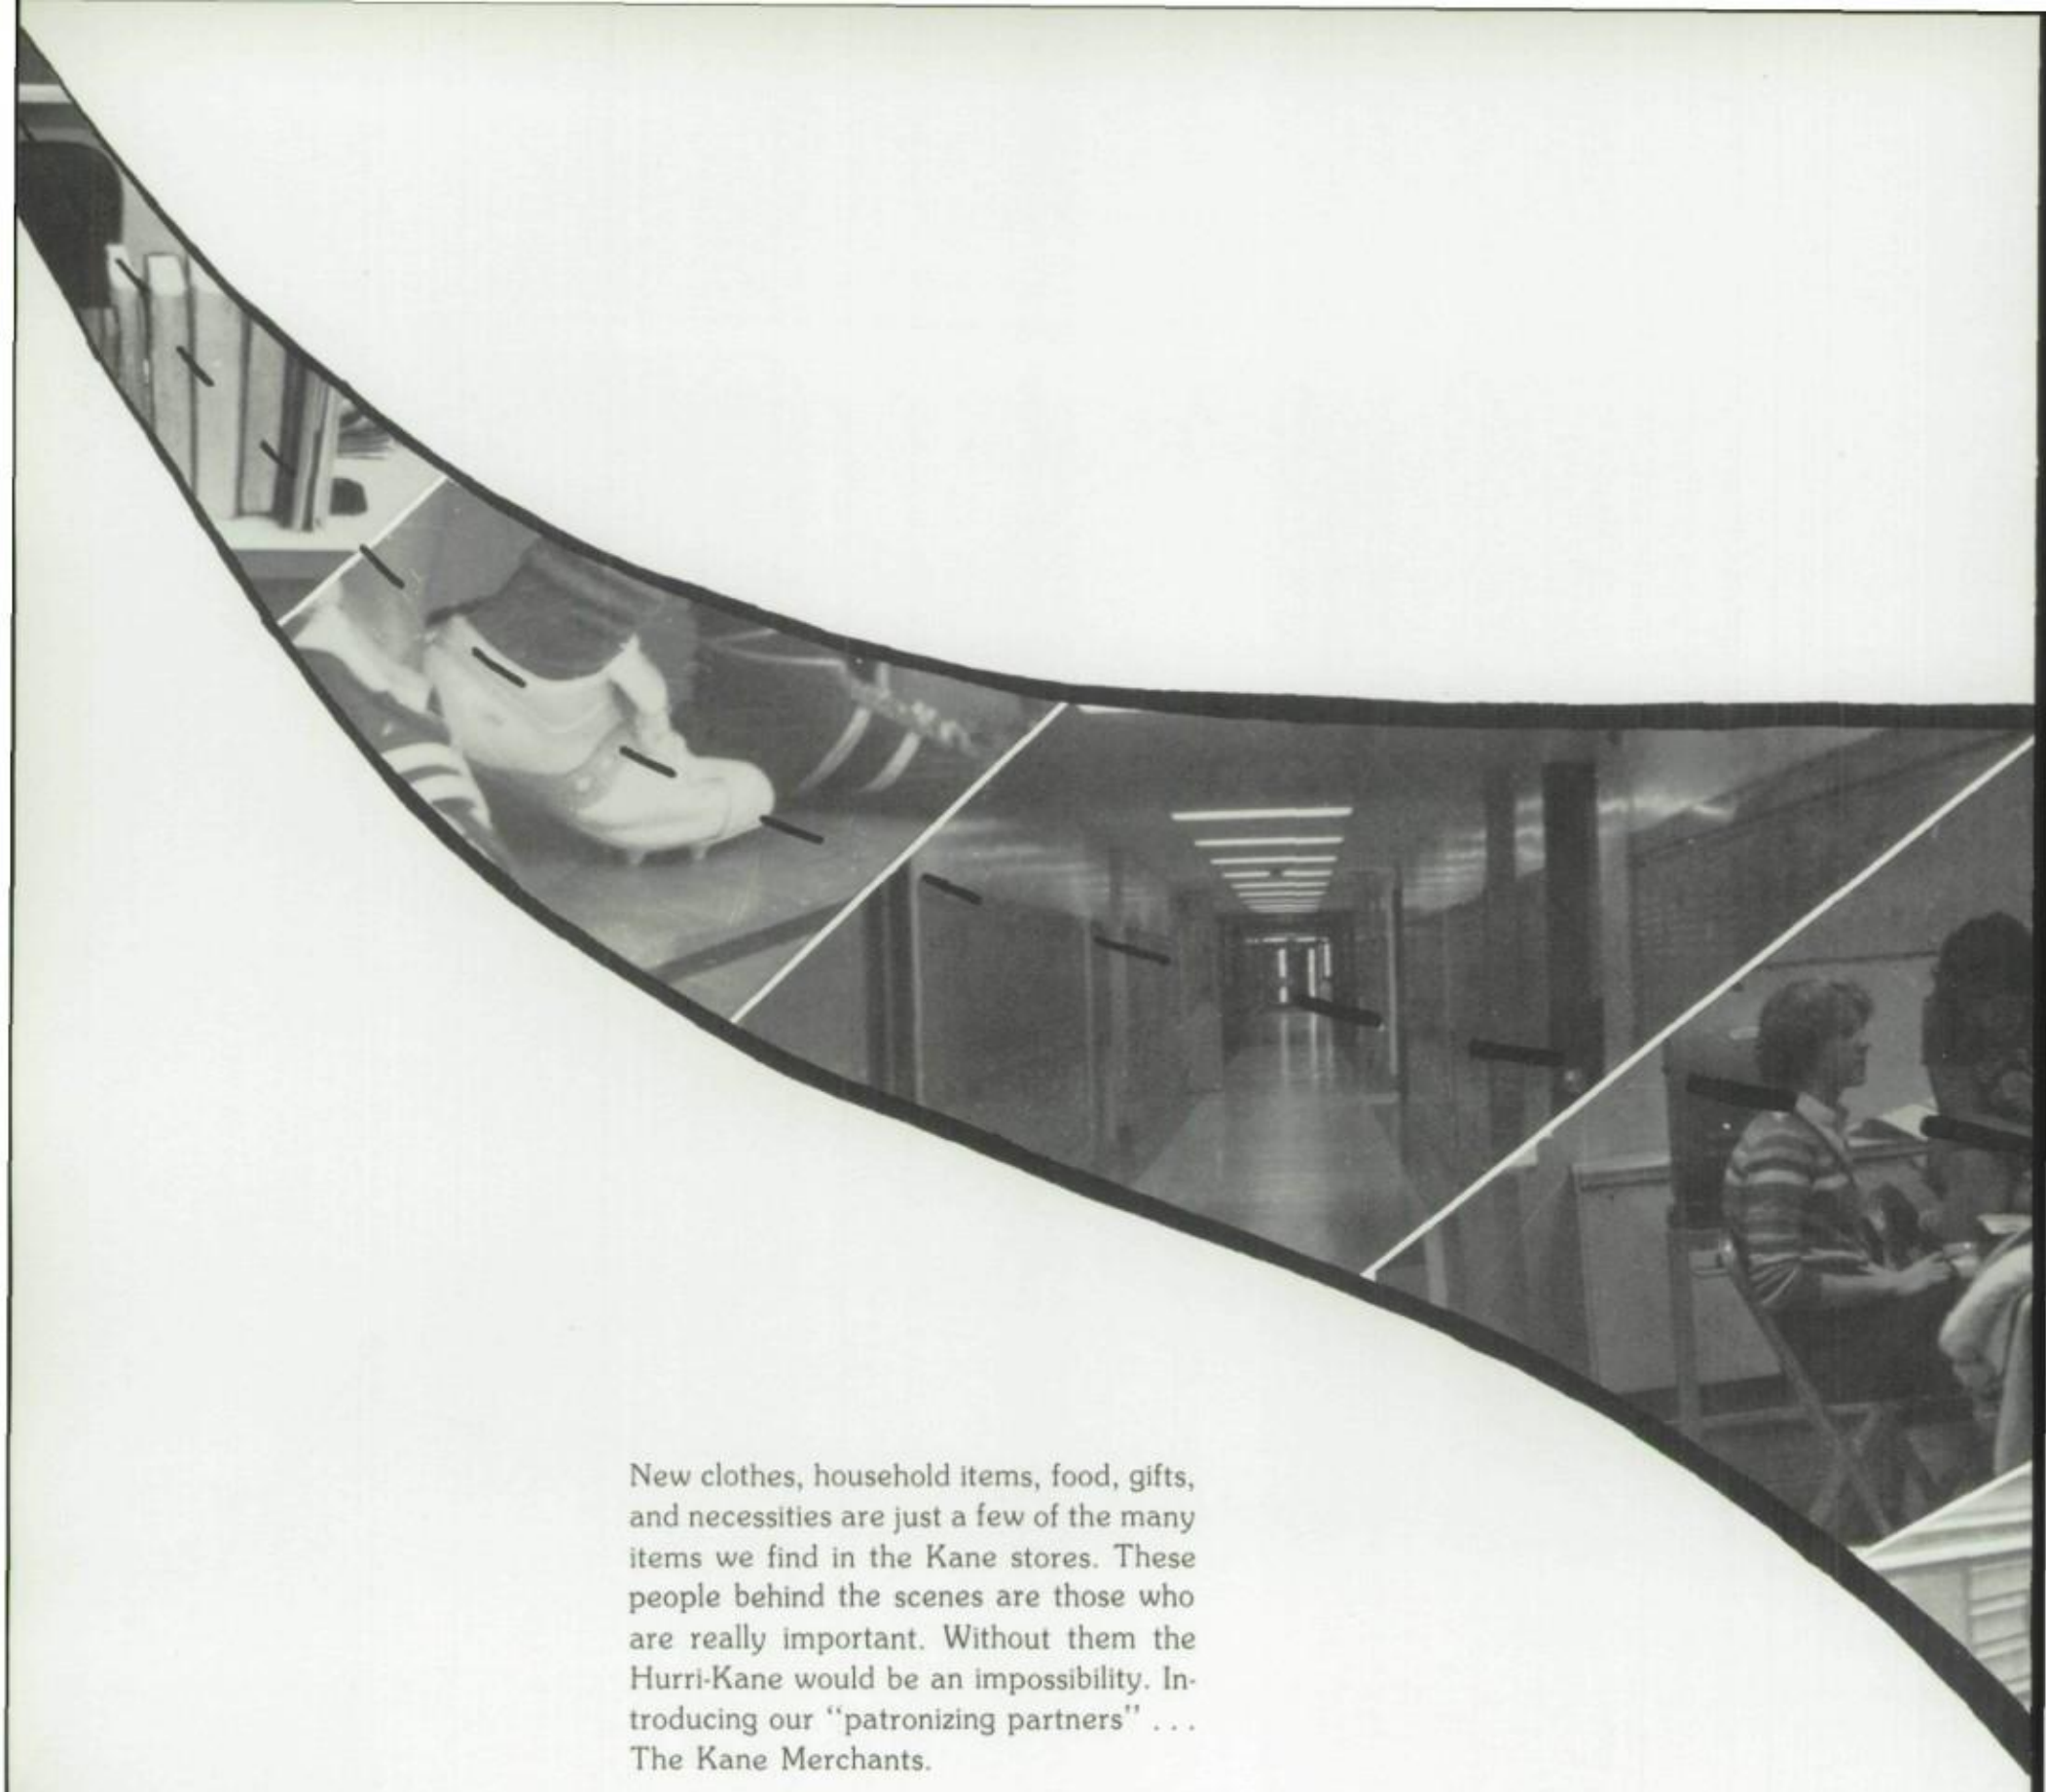
The Kane Public and School Library is becoming neatly organized by the library aides. They reshelve, stamp out, and help locate many books, magazines and other articles. There are many things to be done in the library and with the help of these students the work gets done!

The members are from L. to R.: J. McCanna, K. Ackley, R. Stovic, T. Picarelli, and S. Vito.

L. to R.: Dan Reigel is dressed up for Halloween. Gina Ferranto is helpful in the Hurri Kane office. What is Neal Cole up to now?!?!







New clothes, household items, food, gifts, and necessities are just a few of the many items we find in the Kane stores. These people behind the scenes are those who are really important. Without them the Hurri-Kane would be an impossibility. Introducing our "patronizing partners" . . . The Kane Merchants.

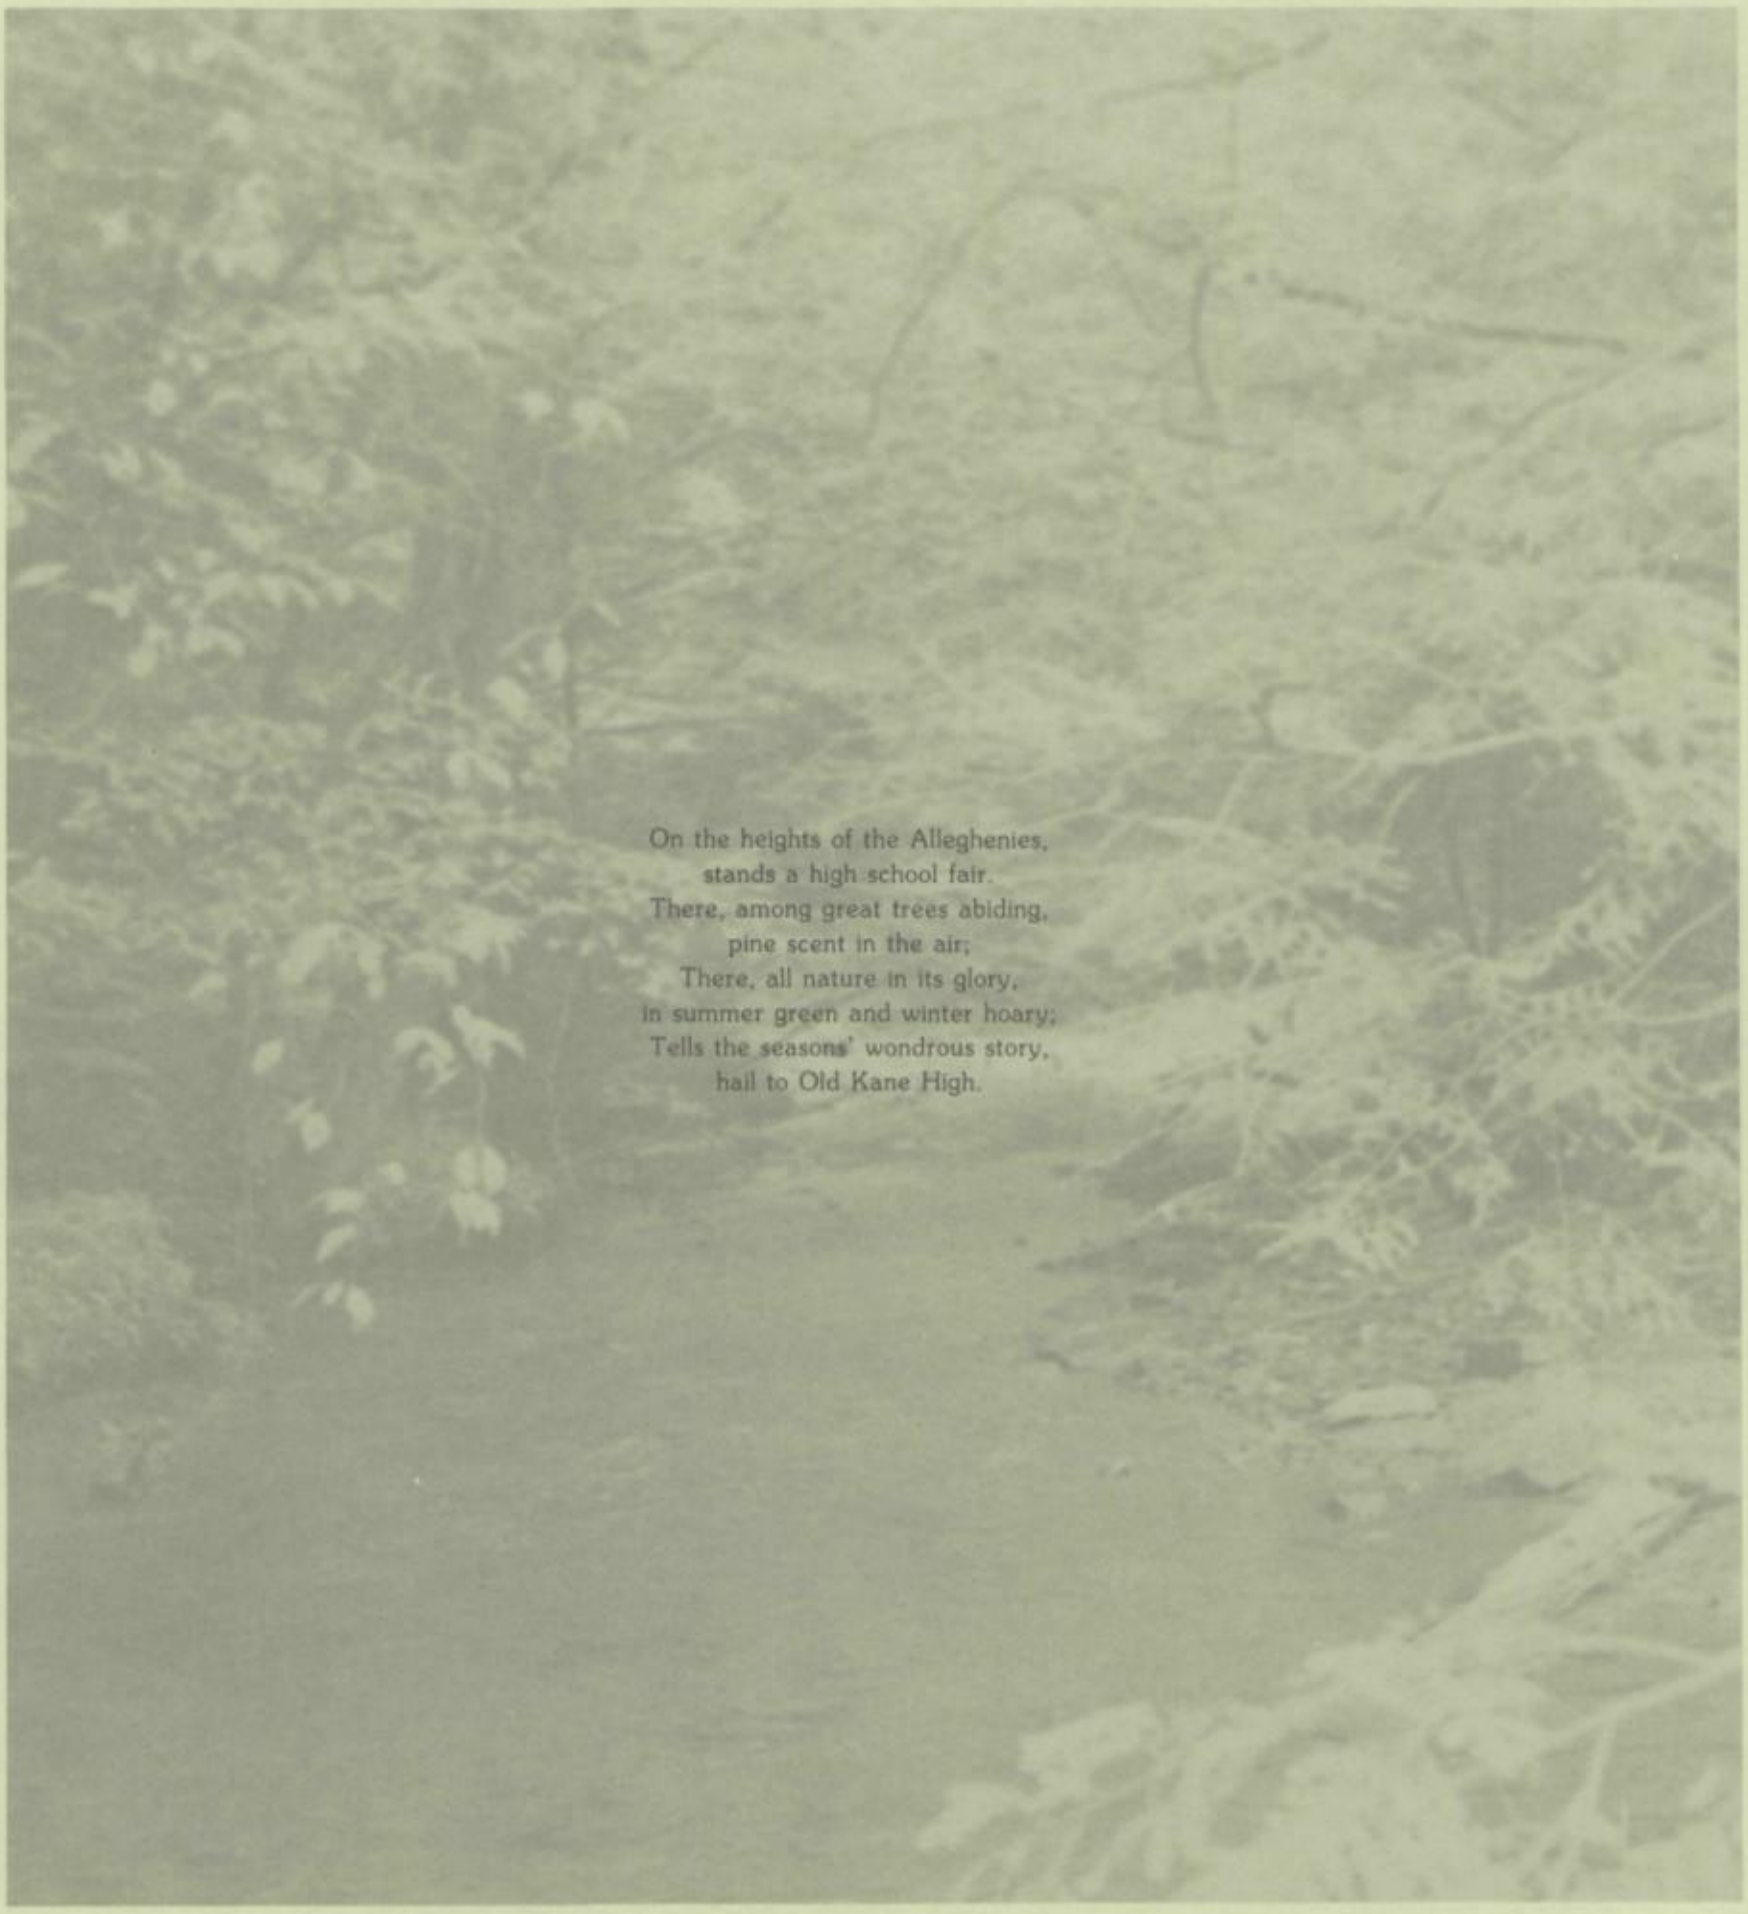
"Our sincere thanks to the people who contributed to the '83 HURRI-KANE"
HURRI-KANE STAFF

CAN YOU EVER FORGET ALL YOUR FRIENDS
THAT LIE ON THE ROAD OF MEMORIES AT OLE KANE HIGH?

FRIENDS WE MAKE AND FRIENDS WE LEAVE BEHIND
AS WE GO MOVING RIGHT ALONG THROUGH THE ROADS OF TIME.



On the heights of the Alleghenies,
stands a high school fair.
There, among great trees abiding,
pine scent in the air;
There, all nature in its glory,
in summer green and winter hoary;
Tells the seasons' wondrous story,
hail to Old Kane High.
